2023 Budget
Notes**

Department Heads asked to budget tightly this year given NNC of 2.43%, which drives both the levy limit and ERP

Levy Limit - Allowable increase in levy, excluding debt levy

Allowable Levy Increase	2.430%
Actual Levy Increase	3.470%
Amount to cut / (add)	88,669

Expenditure Restraint Program (ERP) - Allowable increase in general fund spending making Village eligible for payment from DOR (\$110K in 2022)

ERP Allowable Increase	1.46%
ERP Actual Increase	9.20%
Amount to cut / (add)	(219,191)

Capital Expenditures

Village budget, net of expected revenue	519,972
12/31/22 Fund balance given current budget	(221,930) balance should be at least \$0; debt issued in 2021 for 2021 & 2022 street projects

RESIDENTIAL EXTERIOR IMPROVEMENT PROGRAM

PURPOSE

The Village Board has authorized the creation of the Residential Exterior Improvement Program, (program). The purpose of the program is to encourage the upkeep and appearance of owner-occupied residential homes, as well as mitigate the presence of blighted properties, within the residential districts of the community.

The program provides matching grants up to \$5,000 for projects that will help maintain and enhance the overall attractiveness and vitality of residential districts that is consistent with community expectations and neighborhood preservation; as well as removing blighting influences, which can diminish property values in and around the subject residence. The program is intended to provide financial assistance in order to spur individual investment into one's own home. The grant funds are meant to serve an important yet secondary role to private financing for improvement projects.

The Village Board has developed the following set of goals regarding the program's purpose.

1. Maintenance and Improvement
 - a. Encourage public and private efforts to maintain and improve the community.
 - b. Promote the attractiveness of Mount Horeb as a preferred location to live.
 - c. Encourage maintenance and improvements of existing residences.
2. Preserve Neighborhood Stability and Property Values.
 - a. Maintain the Village's neighborhood cohesiveness.
 - b. Maintain the Village's residential appeal and preserve property values by mitigating and/or eliminating blighting influences.

DEFINITIONS

Designated Area: The program applies to residential zoned properties within TID 5 or within a half-mile of the boundary of TID 5 that are located within the Village of Mount Horeb, as identified on the attached maps.

Exterior Features: Areas of a home/property that are visible from the public right-of-way. Refer to "Project Eligibility" below for examples.

ELIGIBILITY

Available funds will be used to provide grant monies for the purpose of maintaining and improving the exteriors of residential properties within neighborhoods located within applicable TID proximities. The eligibility criteria are as follows:

1. Property / Applicant Eligibility
 - a. The home must be over 25-years old.
 - b. The home owner must have owned and lived in the home for at least 5-years.

- c. The assessed value of the home cannot be over 125% of the average assessed home value in the Village of Mount Horeb, as established by the Village Assessor on an annual basis.
2. Eligible Projects
- a. Any improvements must be visible from the public right-of-way.
 - b. Repair/replacement of the building's original materials and decorative details.
 - c. Replace exterior material with modern material (i.e. vinyl siding).
 - d. Cleaning of exterior building surfaces.
 - e. Tuck pointing and masonry repair.
 - f. Painting of exterior building surfaces.
 - g. Repair of entrances, doors, windows, transoms, or other public exterior elements that have fallen into disrepair (broken, damaged, missing, etc.). If repair isn't possible or cost prohibitive, the Community Development Authority will consider, with final approval from the Village Board, replacement rather than repair of these items.
 - h. Roof repairs
 - i. Replacement of non-hard surface driveways (gravel, grass, etc.) with hard surface materials (asphalt, concrete, pavers, etc.) or repair of hard surface driveways.
 - j. Removal of tree stumps that are located in the front or side setbacks, or terrace.
 - k. Other construction activities to improve the exterior of a building as approved by the Village Board.

PROGRAM REQUIREMENTS

1. Projects shall occur within the Designated Area as defined above.
2. Projects must commence and be diligently pursued to commencement within six (6) months of the grant approval date, with project completion within (1) year of approval. In rare cases, likely due to extenuating circumstances, the Village Board may allow completion extensions upon request of the applicant. The Village Board reserves the right to eliminate project funding if not completed within the specified time period and is not obligated to granting time extensions.
3. Projects shall comply with all applicable Village zoning and development standards and requirements and must receive all applicable building permits and inspections throughout the construction process.
4. Projects shall be consistent with and further the stated goals and objectives of the program and TID project plans.
5. Applicants must include detailed drawings and specifications with application. A drawings/design plan must be submitted. The Village Board may require drawings to be submitted by an architect. The plans must include:
 - a. Detailed site plan using adequate scale to be easily and clearly understood. Ideally, said plan shall be drawn to a minimum scale of 1"= 100'.
 - b. Current condition photos to provide adequate "before and after" shots.
 - c. Construction / reconstruction time schedule, noting start and completion date.
6. **Applicants MUST submit at least two contractor proposals that MUST be used for construction/installation.** If the applicant has a difficult time obtaining two contractor proposals, they are encouraged to contact the Village Administrator to discuss possible solutions. The actual Village Board approved contractor proposal must be used for completion of the project. Any change in contractor does require additional approval by the Village as indicated below in number 11. The Village Board retains the right to request additional proposals.
7. **NO funding will be provided for purchased materials or labor provided personally by the applicant or any other party besides the contractor approved to complete the work.**
8. Applicants must take out the appropriate building permits. No license, registration, or permit in

the Village of Mount Horeb shall be issued or renewed until all delinquent Village taxes, assessments, and forfeitures from Village ordinance violations and all due bills of the Mount Horeb Utilities are paid in full.

9. Minor changes to the project will require submittal and approval by the Village Administrator. Significant project changes, as determined by Village Administrator, will require approval of the Village Board.
10. The Village Board reserves the right to cancel any grant agreement if conditions of the program guidelines and agreement are not met in any way, shape, or form.
11. Concurrent applications from the same applicant shall not be allowed. An applicant may re-apply for another project after any existing project by the same applicant is completed to the satisfaction of the Village Board.
12. Total grant funding for any single property may not exceed two (2) grants, regardless of dollar amount, within any four (4) year period.
13. The Community Development Authority will review each application and forward on a recommendation to the Village Board. The Village Board will have the ultimate authority to determine whether an application has met the criteria for approval, and may impose certain design conditions on approved projects.

PROCESS

1. Applicant submits grant application, contractor proposal/quote, and site plan to Village Administrator, 138 E Main Street.
2. The application is sent to the Community Development Authority for initial review and to make a recommendation to the Village Board.
3. Village Board reviews the application materials and approves or denies the funding request. If approved, the Village Board may place conditions on the proposed project. If denied, applicant may submit a revised application and repeat process.
4. Applicant submits building permit with final design plans as required by Village code.
5. Building Inspector reviews and approves permit.
6. A “letter of agreement” is drafted by Village staff that identifies the terms of the agreement. All parties execute said letter.
7. Construction/Installation begins. Applicant has six (6) months from the execution date of the agreement to begin implementation of approved improvements. Any plan changes would require approval according to number 11 in the Program Requirements section.
8. Construction/Installation is completed within one (1) year of grant award.
9. Applicant contacts the Village Administrator to request a project review to see if all code requirements and Village Board imposed conditions have been met. The Village staff member reviewing the work will sign the Project Close Out Form.
10. Applicant provides the completed Project Close Out Form with signatures from the property owner, contractor, and Village Staff member who reviewed the work; itemized invoices for the project; and proof of payment of their portion of the project costs to the Village Administrator, along with the completed Project Close-Out form. While a construction lien waiver is not required, it is recommended that the applicant consider obtaining appropriate construction lien waiver(s) from the contractor(s) for the project.
11. Once the Village Administrator has reviewed the Project Close-Out form and provided documentation, the Village Administrator will provide the documentation to Village Treasurer to review before issuing payment to the contractor or reimbursement to the property owner for their payment to the contractor.

GRANT CYCLE AND DUE DATES

The initial application deadline for grant requests will be the first Monday in April. The requests will then be reviewed by the Community Development Authority and the Village Board at their regularly scheduled meetings. Applications will continue to be accepted if funds are still available after the initial application deadline. All applications received by the first Monday of the following months after April will be reviewed by the Community Development Authority and Village Board at their regularly scheduled meetings in batches.

FUNDING AVAILABILITY

The program is specifically a matching grant program based on the criteria below:

1. The Village Board has available a limited amount of funding. Applications will be reviewed in batches as they are received. Grants may be awarded only if the Village Board has adequate funds available for this program.
2. Program funds may be used to grant up to 50% of the total project costs, not to exceed \$5,000. Therefore, to receive this maximum amount a project would require at least \$10,000 in total project cost. Actual project costs may be greater than this maximum amount; however, such costs shall be the sole responsibility of the applicant.
3. The Village shall only provide up to a maximum of \$25,000 worth of grants on an annual basis.

PROGRAM EXPIRATION

The residential exterior improvement program will expire if one of the following occurs:

1. When the allocated TID project plan funds have been spent, unless additional funding has been authorized by the Village Board up to a maximum of \$25,000 annually.
2. When the allowable TID expenditure period has expired.
3. When the Village Board chooses to eliminate or amend the program.
