AGENDA ITEM # 4.b

Move School Zone Sign on 8th to Bike Trail Area

BACKGROUND

This was a topic of discussion with at least one person during the crosswalk issues the past couple meetings. I was unable to research and look into it. So I am bringing it forward now. The bike trail and Lincoln/8th are not in the school zone, but they are used as pathways to school. Moving the sign back would improve school safety in that area.
