MINUTES

PARKS, RECREATION AND FORESTRY COMMISSION

March 26, 2024, 5:30 PM, Municipal Building Board Room

PRESENT: Halverson, Webber, White, Adler, Mertz

ABSENT: Honore, Hogseth

OTHERS PRESENT: Gorman – Village of Mount Horeb

Consider minutes of the February 27, 2024 meeting.

Webber moved; White seconded to approve the minutes of the February 27, 2024 meeting. Motion carried.

Consider shelter at Viking Park

Gorman reviewed the quotes for shade structures from Northland Recreation and Gerber Leisure Products. The shelter, freight and install quote from Northland was \$22,146 and the quote for the same from Gerber was \$19,185. Gorman recommended hiring a local contractor to install the concrete pad. The Commission asked about warranties, maintenance and preferences. Gorman said since Gerber is \$3000 under the Northland bid and they are a local company, he recommended going with them. Webber moved, White seconded to accept the quote from Gerber and let staff choose colors. Gorman asked about funding the project. The Commission agreed that the project would be a good use of park development funds. Adler amended the motion to approve conditional on the school district's approval and using park development funds. Motion carried.

Consider concrete pad at Grundahl Park for Summer Frolic

Adler said the Summer Frolic Committee would like to install a concrete pad at Grundahl Park where the ticket trailer sits adjacent to the asphalt path. The Frolic Committee is not looking for any funding from the Village, but some help from the Public Services Dept for grading and seeding around the pad once installed. Webber moved, Halverson seconded to approve the concrete pad. Motion carried.

Consider funding for Grundahl Park electrical upgrades

Gorman and Adler updated the Commission on some upgrades needed to electrical service and electrical pedestals for the Summer Frolic, Wednesday Night Live and any other events that may take place. The Mount Horeb Utilities had already performed some of the work, but remaining work needed to be done by an electrician. Adler shared an estimate from The Electrician Inc. The Summer Frolic Committee was asking if the Village would share in the costs of the project which would be approximately \$6000. Gorman said he was comfortable taking \$2000 out of his operating budget and any further funding could come out of park development funds. Webber moved, Halverson seconded to help fund \$4000 of the project with \$2000 from the operating budget and \$2000 from park development. Motion carried.

Lukken Farm update

Halverson said the Village Board did make a counter offer to the Lukken family after the last deadline. The deadline for the Village's last counter offer is tomorrow, March 27.

Public Services Director's Report

Gorman reviewed his report.

Future agenda items

Grundahl Park planning; Lukken property status

Set next meeting date and time

April 23, 2024 at 5:30 pm

Adjourn

Webber moved, Adler seconded to adjourn at 6:57 pm. Motion carried.

AGENDA ITEM # 4.b

Mount Horeb Community Garden annual report

BACKGROUND

RECOMMENDATION

ATTACHMENTS

1. Community garden annual report 4.2024

Even though 2023 was an unusually dry year, the community garden was successful due to a number of factors:

A good layer of **mulch** with rye straw (provided by a grant from Rotary Club -\$500.);

A hearty amount of soil amendment of Purple Cow Organic **Compost** (MAMGA grant -\$480.);

And the **ease of watering** due to our irrigation system (spring 2022-\$3179.-grant of \$2850 MHCF and Permanent water hook-up shared by Water Utility Commission and PRF Commission-\$4725 ea.).

Neighbors Helping Neighbors/Senior Center plot cost was sponsored. Pam Allen, H.S. Ag teacher and her students, again planted seeds for us in the greenhouse and we picked up the starter plants for this plot which greatly enhanced the health and selection of produce available throughout the season. Volunteers helped plant, maintain, harvest and deliver about 281 lbs. to each of these sites. NHN received freshly harvested deliveries each Friday morning and Sr. Ctr. on Mondays during the season.

We rented out **all** plots in the community garden using a wait list, and our email (horebgarden@gmail.com) posted on our MHACG welcome sign (sponsored by the PRF Commission and MAMGA in 2020).

As gardeners sign up for a community garden plot they are also signing up for a necessary chore in the garden, as well as committing to attending 2 Work Party dates &/or a minimum of 4 hours/season on Garden-wide tasks. This year has been the first full year to implement the kind of community involvement that sustains the work involved in keeping up the chores by sharing the load. It was a success to have so many committed workers doing their part to keep the garden and infrastructure in wonderful shape. It is now a requirement of all gardeners who wish to be a part of the community garden.

We have a full working board of directors and add new directors after our Annual Meeting. We meet regularly in person for ten months (not December or January except by email if needed). We send out a "Leaflet" after each meeting to keep our gardeners informed of any issues, educational information, and next Work Party with needed chores. We include our neighbors and they have responded well to how we are caring for our section of the park and keeping them informed. ELC allows us to use a room for meetings when we can't meet at the garden.

Our garden shed has been a wonderful addition in housing all our tools, wash sink, benches, fencing, and extra straw. We had some leakage in the two skylights and the leaks were caulked by the builder, Hometowne Structures, Platteville (grants by MHCF-\$1500. and Summer Frolic Committee-\$2000. in early 2020). We will assess whether we need to repaint this year (2024) or next season. We also need to continue to check the base to keep out varmints (hardware cloth was displaced last fall). The native plantings on three sides are growing well and attracting pollinators.

We remain an organic garden and have been battling a persistent weed in Himsel Park, especially this year. Bindweed is difficult to eradicate and we have been adding high-calcium lime and gypsum to curb its spread and tenacity by changing soil Ph, and weeding at each Work Party.

We keep up our Edible Perennial Landscape (EPL) by pruning, weeding, replanting herbs in the herb spiral, and feeding and mulching all trees, bushes, native pollinator plantings, and edibles.

We won a 2023 Dane County Climate Champion Award in the Other category, being encouraged to apply after giving a talk at a Sustainable Dane Event in April, and then were acknowledged by the M.H. Village Board in October.

We continue to sponsor a Driftless Seed Swap each spring in March at the Driftless Historium giving away free seeds.

Any questions?

AGENDA ITEM # 4.c

Discussion of grant opportunities for park improvements

BACKGROUND

Included in your packet is a list of grant opportunities we can consider for aiding with the purchase of land and/or development of park features. The Knowles-National Stewardship Local Assistance Program is directed towards the acquisition of land for walking and bike paths and shelter and restroom facilities. The Land and Water Conservation Fund Program is for land acquisition and development of many different park features, including picnic areas, outdoor recreation facilities and the renovation of existing facilities that are in danger of being lost for public use. Additional information on [the grants](#) can be found on that link.

Additionally, we recently discovered the [T-Mobile Hometown Grants](#) provide up to \$50,000 for various projects. This grant would be a good possibility for the upgrades and improvements identified for Grundahl Park.

RECOMMENDATION

ATTACHMENTS

1. Grant Opportunities

Source	Eligible Use	Deadline	Match/ Details
WI DNR			
Knowles-Nelson Stewardship Local Assistance Grant Program	Land acquisition and development for projects that provide public access for outdoor recreation purposes. Including: Acquisition for parks and trails, construction of hiking trails and bike paths, construction of shelters and restroom facilities.	Annual May 1	50/50

Q12 Is there any other activity or amenity that you would like to see at Grandma Foster Park?

Answered: 107 Skipped: 636

#	RESPONSES	DATE
1	Pickleball	2/10/2023 3:16 PM
2	Ive never been to this park. I drive by it all yhe time and never see anyone using it. Its very dark with all the trees. If you remove even just one or two of them it opens up the psace and gives much more light. And maybe that will help drive traffic to the area.	2/10/2023 8:38 AM
3	Transform the space for better use and function	2/9/2023 10:27 PM
4	I drive by this park and wish it was more. I'm not sure what but I feel like it is overlooked. It's not necessarily bad, there are just more options around town with more to offer. I would however be disappointed if it ever became a building and not for open public use.	2/9/2023 8:51 PM
5	No. Leave it the way it is.	2/9/2023 8:06 PM
6	I think the park location is ideal for an expansion, but it is very close to Main Street. That logistical factor is significant for safety.	2/6/2023 8:54 PM
7	If we are going to continue to have the tree lighting at Grandma Foster Park then I think it needs to be made into a festival including hot cocoa stands, caroling and maybe even a food stand	2/4/2023 3:23 PM
8	Exciting new play equipment for little kids as well as bigger.	2/4/2023 1:59 PM
9	Turning that park info a splash pad would be cool	2/3/2023 8:34 PM
10	If shelter removed, add a few benches	2/3/2023 10:58 AM
11	Something very similar to the new splash/spray fountain and park space in downtown Janesville would be very nice and well used	2/2/2023 9:34 PM
12	Not that isn't already listed in this survey	1/31/2023 3:15 PM
13	More lights for safety reasons when it is dark outside.	1/31/2023 2:03 PM
14	Splash pad for children and sculptures for older folks. Putt put green would be a nice yard game for kids and adults. A fence is needed for safety of small children running towards Main Street	1/30/2023 7:40 PM
15	na	1/30/2023 7:02 PM
16	Since this park was donated to the village by the Foster family in memory of their mother, we should try to find a way to incorporate child friendly activities in this park in some way.	1/29/2023 2:05 PM
17	Native plants pollinator garden	1/28/2023 11:29 AM
18	I knew grandma Foster. She was very very all about kids and kid activities.	1/28/2023 7:30 AM
19	Buy steinhower lot & make it bigger. When down town has events it gets used more.	1/26/2023 10:27 PM
20	Enclosed space for year round use; room for some nice flower gardens	1/26/2023 4:15 PM
21	Better parking	1/26/2023 10:22 AM
22	This could be a great family park. I like the idea to access it from the bike trail, signage promoting in the downtown area along with better landscaping and splash feature would be awesome! The sculptures could be interactive too. Check out the Teddy Bear park in Stillwater MN. We could do trolls and scandi theme.	1/25/2023 8:39 AM
23	not sure	1/24/2023 11:17 AM

Mount Horeb - Park Master Planning

24	We would like it to stay as it is. We have many happy memories of taking our children there. It's a nice sized park with not a lot of people, so you feel comfortable letting your kids play freely. Why do you always have to "improve" things, especially when they don't need improving?	1/24/2023 6:42 AM
25	Not sure...I guess my answers would depend on if it could be part of a bigger area and connect to bike trail....	1/23/2023 9:33 PM
26	No, but the huge ugly tree should either be pruned or cot down	1/23/2023 6:13 PM
27	Connect w/signage to Military Ridge	1/23/2023 9:50 AM
28	No	1/23/2023 7:57 AM
29	The park at this point seems as if it is not a useful benefit	1/22/2023 8:22 PM
30	No	1/22/2023 7:54 PM
31	Farmers Market site	1/22/2023 5:14 PM
32	Parking	1/21/2023 4:08 PM
33	Dog park	1/21/2023 3:38 PM
34	I don't like using the space for playground as it is too choose to the road with no fence. Since it's so close to the road, I personally feel that it should be a space for adults or have a fence. It's really just an awkward location.	1/21/2023 3:29 PM
35	This park is just really in a strange location and it is so small. Not sure what, if anything, can be done to improve it at all.	1/21/2023 12:27 PM
36	More visibility to downtown shoppers, tourists	1/21/2023 12:19 PM
37	I don't feel like I know enough about this park. I've noticed it but have never been. It seems very disconnected but if it were associated with the trail somehow that could be super cool and useful.	1/21/2023 11:27 AM
38	Nothing needs to be done. It's a fine park and perfect for its place in the village. Please spend the money paying down the debt on other unpaid projects; school additions, fire/safety building and other.	1/21/2023 11:27 AM
39	I would die for a splash pad! But I want to identify that the pool sand area already has water piped in and would be the perfect spot for a slash pad... especially since it filled with ground bees and unusable the last two summers (which I hope is addressed this summer)	1/21/2023 10:04 AM
40	If space is re used, we need pickleball courts in MH	1/21/2023 8:43 AM
41	No	1/21/2023 7:51 AM
42	Green space for sitting, meeting outdoors, music in the park etc. we have enough play parks in town.	1/21/2023 6:00 AM
43	maybe a bike trail sign system to highlight/directions,sinage to the park Bike racks for sure	1/21/2023 3:10 AM
44	I'm not sure what you mean by the "Downtown corridor". If you mean that the village wants to suck up that space, and take away the greenspace to put in a parking lot, then I would say you are all out of your minds. Keep the parks. Realistically, however, only families with very young children bother to visit that space. It's not an appealing park because it's close to a garage in the back alley, and Front street is not a roadway that is friendly to families with young children. If the village at all cares about corridors, then how about considering making real sidewalks on all the streets?	1/20/2023 9:40 PM
45	More of a barrier to the street--it feels very exposed to traffic, in spite of some fencing--and to the alley, which is so close that a kid can easily step into the alley from the park without even realizing it.	1/20/2023 9:17 PM
46	Central location for a beautiful Christmas tree lighting! With choices I selected above. Maybe even an ice skating rink...just a thought.	1/20/2023 7:29 PM
47	Who is this park intended to serve? The location and parking does not have much residential around it to support little kid needs here. Perhaps the village could put pickleball courts here and redevelop the area by the middle school.	1/20/2023 6:55 PM

Mount Horeb - Park Master Planning

48	Soft turf or rubber chips on the play ground	1/20/2023 6:52 PM
49	Disabled play area	1/20/2023 6:33 PM
50	indoor space for practice facility	1/20/2023 6:05 PM
51	Dog drinking fountain	1/20/2023 5:19 PM
52	Maybe push some of the fairs down to the park so the amenities can be utilized.	1/20/2023 5:16 PM
53	Vending machine, live music, small market	1/20/2023 4:47 PM
54	I think it's better to leave this park as is. Keeping more low key.	1/20/2023 4:45 PM
55	Swings	1/20/2023 4:23 PM
56	unsure	1/20/2023 4:05 PM
57	Basketball hoops, soccer area & skate park area, splash pad!	1/20/2023 3:44 PM
58	Pickle ball	1/20/2023 3:43 PM
59	Pet "poop" disposal can.	1/20/2023 3:39 PM
60	I don't think this park is utilized enough so something else should come so others know more about it.	1/20/2023 3:08 PM
61	No	1/20/2023 3:08 PM
62	Sidewalk on the side of the park. Flower garden park, meditation park, etc. It's not a great location for a playground but a quiet space/park would be lovely.	1/20/2023 3:02 PM
63	All of the above sounds great but is the space truly large enough to have anything more than it already does?	1/20/2023 2:45 PM
64	I would like to see the large tree in the park to be lit instead of the small one in future years for the annual Christmas tree lighting. It helps bring attention to this small park on Main Street.	1/20/2023 2:37 PM
65	I think the property should be traded off for a property with more visibility, parking and assets.	1/20/2023 2:28 PM
66	Is there room for everything above, because it sounds great!	1/20/2023 2:14 PM
67	Swings!	1/20/2023 1:54 PM
68	The park is tiny and I'm not sure how additional amenities would fit into it. Could the Village expand it by purchasing the old Wisconsin Surplus lot to the south? Neighborhood locals like me know there is access from the park to the Military Ridge trail (and Buechner Circle) via Front St and the Sign Art Studio gravel lot.	1/20/2023 1:52 PM
69	I like having a spot to eat and play downtown, but it would be nice if it had an artistic feature or event space to better incorporate into downtown	1/20/2023 1:38 PM
70	I think the location of Grandma Foster Park does not lend well to any of the listed options. Enhancing the event space at Grundahl, splash pad by the current, we have great bathrooms a couple of blocks away... I don't like the idea of giving up green space but I have always found the location of this park less than ideal - on a busy street, not connected to the path, and small. I think repurposing it as something other than green space should be considered.	1/20/2023 1:23 PM
71	Music in the park	1/20/2023 1:18 PM
72	I think I used it more when my kids were little, seems like it could be improved and expanded	1/20/2023 1:08 PM
73	Updated play equipment is a huge need. People visit MH with children and need a downtown space to let the children play and a shelter/bathroom!!!	1/20/2023 12:59 PM
74	This park is to close to Main Street and is not a relaxing space due to traffic. The village should rethink this use of property	1/20/2023 12:44 PM
75	A splash pad anywhere in MH would be great!	1/20/2023 12:40 PM
76	A splash would be an amazing option for our town!	1/20/2023 12:31 PM
77	I think it should remain as is. A cute little park down Town!	1/20/2023 12:22 PM

Mount Horeb - Park Master Planning

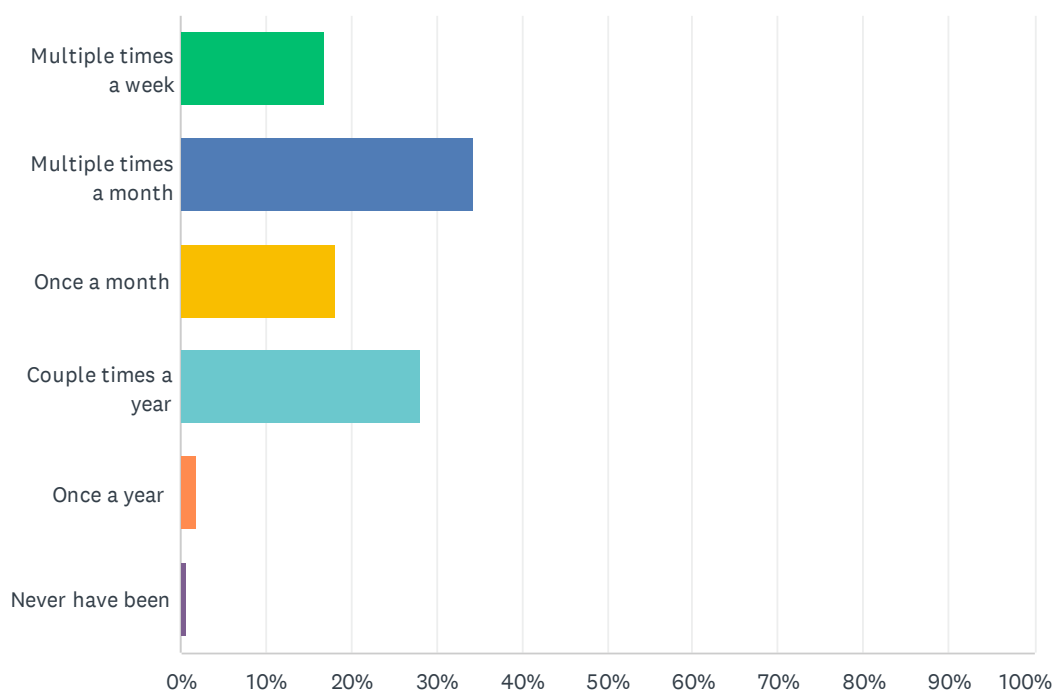

78	All the ideas listed sound great. For that space, I worry about parking for some of the options. It has been a great, easy park for us to stop at to burn energy for a few minutes!	1/20/2023 11:52 AM
79	Anything really!	1/20/2023 11:42 AM
80	Q7 answer options are disjointed from the question. In other words, the answers to the question are not available in the option. Re-read it closely. Questions in surveys should not include compound. You are combining "is" (current tense) with "should be" (future tense) in the same question. They should be separate questions so the answers are clear and can be analyzed. Q11 should include option to select "no new amenities needed" or "fine as is" or "none" or "retain existing".	1/20/2023 11:41 AM
81	I would like to see a splash pad, public restrooms and a drinking fountain at this park at least. Or this park could be used for two to four courts of pickle ball because the village currently has no designated courts in the town for this sport.	1/20/2023 11:32 AM
82	Pickelball court/basketball hoop - older bigger kid sport area since it is located by a busy streets. The shade area is nice.	1/20/2023 11:27 AM
83	n/a	1/20/2023 11:24 AM
84	Please keep it always named Grandma Foster. She was my neighborhood grandma and all of us kids growing up in that neighborhood just loved her and her yard. So many memories! She would have love that her property benefits kids today and always as she cared so much for all the children. :)	1/20/2023 10:47 AM
85	Pickleball courts	1/20/2023 10:37 AM
86	With the auction place having moved, and all the apartments having gone in/talk of going in near by, this space could be expanded and used so much better since it's right in the middle of town/next to downtown! If anything though, a working drinking fountain and at least an accessible port-o-potty would be awesome. I know it's a favorite little park for those with little kids since it's a space to blow off some energy downtown by the shops/restaurants and is pleasantly no frills.	1/20/2023 10:37 AM
87	depends due to parking and not a lot of open space. It's a quaint and quiet location.	1/20/2023 10:36 AM
88	We'd love some additional/updated play equipment or a splash pad.	1/20/2023 10:26 AM
89	Older child and younger child areas	1/20/2023 10:25 AM
90	The parcel is too small to invest a lot of money into. There is no on site parking.	1/20/2023 10:13 AM
91	Maybe fix the water fountain, it's not a very well utilized space, a complete redesign of the park would be nice it would be a great space for people to spend time, like maybe a well designed workout area like at the sunrise park idk it just needs to be updated the play area is crazy small with very little to do the shelter has no power and no water fountain, it's like someone forgot about this awesome downtown park potential.	1/20/2023 10:09 AM
92	1/2 court basketball	1/20/2023 10:03 AM
93	Swings!!	1/20/2023 9:54 AM
94	None	1/20/2023 9:54 AM
95	It's not a park particularly convenient to us, so I am not certain of what it would need. But, something unique to Mount Horeb like the splash pad would be a really good way to utilize the space. Given the other larger playgrounds/open spaces, I don't think that the park would benefit from trying to reinforce those aspects.	1/20/2023 9:53 AM
96	I don't know that it's the best use of space where it is. The intersections to get there are difficult because of the speed and corner. We live a block away and liked having a park option that was close enough to walk to. So, if this gets repurposed it would be nice to have something else available in that general area of town.	1/20/2023 9:51 AM
97	Bocce Ball Court	1/20/2023 9:42 AM
98	It should be changed into a venue spot for music and food carts in the summer.	1/20/2023 9:33 AM
99	Swings for multiple ages & abilities	1/20/2023 9:13 AM

Mount Horeb - Park Master Planning

100	Splash pad	1/20/2023 9:09 AM
101	I just needs some updating & more (freshening up) maintenance	1/20/2023 8:17 AM
102	If really redesigning, maybe parking? Parking is limited downtown which will make it harder to participate in new businesses	1/20/2023 7:32 AM
103	Change it to public parking	1/20/2023 7:28 AM
104	Swings!!	1/20/2023 7:19 AM
105	Move the farmer market to this park.	1/20/2023 7:17 AM
106	Dog waste station	1/20/2023 7:05 AM
107	I think it's important to have some sort of play equipment because Grandma Foster Park is the only park within walking distance of downtown. However, it doesn't need to be a traditional climber-type structure – it could be a cool art installation that kids could walk through, or more of an outdoor museum-like exhibit. Also, I would say the park needs seating, but not necessarily benches – just a place to sit and hang out with others ... more communal-oriented seating rather than sitting alone on a bench.	1/18/2023 3:29 PM

Q13 Have you ever visited Grundahl Park? If so, how often?

Total Respondents: 635		

Q18 The Village Recreation Department currently does not have a large indoor space for programming, events or activities. Because of this, the Village is considering a 4-season multi-purpose building to be built at Grundahl Park in the future. With this investment, organizations and events like the Summer Frolic, recreation programming, and other community organizations could utilize this space year-round. Do you see the need for a large 4-season multi-purpose building and event space at Grundahl Park? ie: Summer Frolic use, off-season indoor sporting facilities, event venue, additional storage, etc.

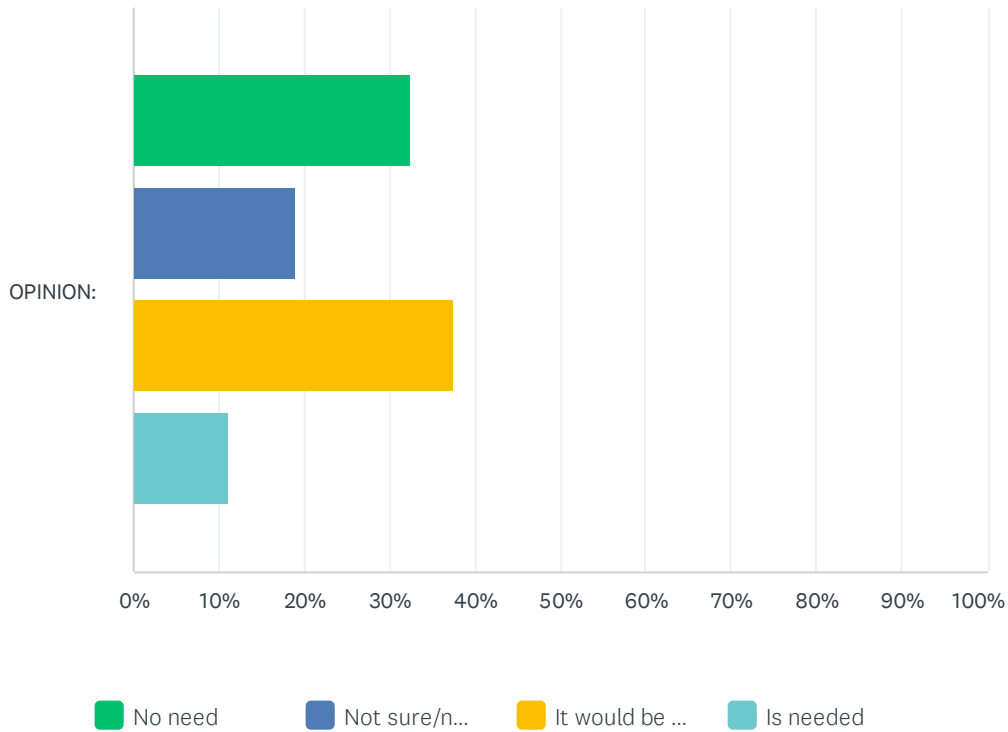

Answered: 649 Skipped: 94

ANSWER CHOICES	RESPONSES	
Yes, I'd love to see a multi-purpose building.	62.87%	408
No, I don't see the need, smaller shelters with updated facilities would suffice.	16.80%	109
No, no indoor space is needed.	6.93%	45
Not sure/No opinion	13.41%	87
TOTAL		649

Q19 There is currently no through sidewalk connection from Grundahl Park facilities to the Military Ridge State Trail. How would you rate the need to connect the two public spaces/amenities?

	NO NEED	NOT SURE/NO OPINION	IT WOULD BE NICE	IS NEEDED	TOTAL
OPINION:	32.31% 210	19.08% 124	37.54% 244	11.08% 72	650

Q20 Is there any other activity or amenity that you would like to see at Grundahl Park?

Answered: 154 Skipped: 589

#	RESPONSES	DATE
1	Pickleball	2/10/2023 3:18 PM
2	Fields for soccer/frisbee	2/10/2023 12:42 PM
3	Just a few more playground /climbing options for kids. Whayever that round ring is for just takes up space. Remove that. They do have bathrooms but they are in very bad shape. Switch from wood pellets to rubber surface. More sensory friendly things for special needs kids.	2/10/2023 8:42 AM
4	#18 is in question, as to necessity based on other pending local projects regarding a sports complex.	2/9/2023 10:27 PM
5	I like the idea of the 4 season building. However, I love the open space the park has to offer so much more. I would love this building in my community but would be disappointed if it was built where this beautiful park is. Along with that, parking is already a struggle when events occur. If this building were to be built and adequate parking was added, there would be no park left.	2/9/2023 8:58 PM
6	updated sandbox area and equipment. More playground seating.	2/9/2023 12:48 PM
7	Off leash area for dogs	2/7/2023 1:58 PM
8	Better goal nets on soccer field	2/6/2023 11:09 AM
9	Make sure you keep the shade trees!	2/5/2023 3:33 PM
10	Bike pump park and skills path	2/5/2023 9:53 AM
11	A natural surface bike trail for off road biking (mountain biking). Something like Madison's Aldo Leopold Park mountain bike skills loop.	2/4/2023 9:58 PM
12	Generally for all surrounding neighborhoods to have sidewalks so it's possible to safely walk from a parked car to this park for most events that greatly exceed the parking lot capacity.	2/4/2023 6:13 PM
13	I would actually like to see the tree lighting relocated to Grundahl Park and turn it into a festival.	2/4/2023 3:28 PM
14	Splash pad would be amazing! A large unique playground would be awesome, have a place where kids are entertained and want to come back time and time again. Have areas for children with disabilities as well.	2/4/2023 2:04 PM
15	Uncertain	2/3/2023 9:23 PM
16	I'd rather have more open space for the park than a building. I'd love to see disk golf in Mount Horeb	2/3/2023 9:17 PM
17	A dog park if there was space?	2/3/2023 8:58 PM
18	Food truck events	2/3/2023 8:14 PM
19	Really need an indoor ice rink. Most small towns in Wisconsin have one and right now our kids just go to Verona or Dodgeville. Very much needed. Verona is now building their second indoor rink bc of such high demand/rentals for the first one.	2/3/2023 6:32 PM
20	Ice rink with coolers so skating can happen regardless of weather	2/3/2023 5:58 PM
21	Sidewalks from all neighborhoods leading to Grundahl Park should be added.	2/3/2023 11:01 AM
22	More space dedicated to soccer fields. Keep the green space and don't build a building on it.	1/31/2023 8:00 PM
23	A sidewalk all the way around it for disabled people to utilize.	1/31/2023 3:17 PM

Mount Horeb - Park Master Planning

24	More lights at night at least until 11:00 PM.	1/31/2023 2:07 PM
25	There is a sidewalk from the military trail but it ends at the corner of the park. That space could be redesigned for some additional sidewalk space.	1/30/2023 7:47 PM
26	na	1/30/2023 7:04 PM
27	It would be nice to leave the Open Space to be available for the programs that are currently using it. The soccer club heavily relies on the use of that space for spring practices since we can't use the baseball outfields in the spring. It would actually be nice to have a larger space than what is available, since the current space is not even large enough for a U9-U10 soccer field.	1/29/2023 9:42 PM
28	Beer garden. No pickleball, they're already getting six new pickleball courts at Viking Park.	1/29/2023 2:07 PM
29	Native plants: forbs, shrubs and trees. Pollinator garden for educational efforts and pollinator habitat	1/28/2023 11:31 AM
30	Sign to both parks. Hockey rink. Then can be used in summer for other sports.	1/26/2023 10:37 PM
31	Pickle ball courts	1/25/2023 5:15 PM
32	Maybe not a traditional splash pad but some kind of natural looking landscaped water feature that would be safe for children to play on.	1/25/2023 8:50 AM
33	Improved baseball field, including the addition of side nets to prevent a foul ball during the Frolic from entering the midway area. It has not happened to date, but a severe injury from an event like this would forever tarnish the history of the Summer Frolic.	1/24/2023 1:48 PM
34	year-round indoor ice rink	1/24/2023 10:27 AM
35	Just having open flat space available is nice for kids' free play--space that is not limited to one type of activity but can be used for many different types. Also, it would be nice, if built, to have the large 4-season building open to be rented or used by the community outside of strictly rec department functions.	1/24/2023 9:06 AM
36	Dedicated Pickleball courts with access to parking and restrooms.	1/23/2023 3:37 PM
37	Separate dog area so no dog poop where kids play.	1/23/2023 1:23 PM
38	Dog park	1/23/2023 10:54 AM
39	Softball fields	1/23/2023 8:35 AM
40	Grundahl has beautiful green space adding another building would truly detract from the park. Currently the bathrooms need to be updated they're absolutely awful a water bottle fountain would be wonderful as well. I will chain myself to the big tree if you try to take it down.	1/22/2023 11:22 PM
41	The park facilities are dated. It is a park that is highly utilized. An update of the restrooms and their availability is warranted.	1/22/2023 8:26 PM
42	Updated restrooms	1/22/2023 8:00 PM
43	Updated restrooms. Remove horseshoe pits near Blue Mounds Rd. No pickleball at Grundahl Park!	1/22/2023 5:19 PM
44	Somewhere in town a dog park	1/22/2023 4:26 PM
45	The space on the east side of town by Summit Credit Union would be a much better space for indoor facilities. The baseball field equipment is in dire need of improvement.	1/21/2023 6:50 PM
46	Dog park? Food-share garden? The four seasons room WOULD be used. It is a wonderful location being central to Mt. Horeb. It could be rented out for family reunions and even wedding venues or celebrations and showers. It would be an investment that would easily pay for itself. As Mt. Horeb continues to grow, so does the demand for space to hold events.	1/21/2023 3:44 PM
47	Indoor space for softball and other youth athletics to use throughout the year especially during the winter.	1/21/2023 1:02 PM
48	Grun. Pk could use a better stage for the Wed. Nite concerts. Not needed is an enclosed facility.I like the open air, would not use the indoor space.	1/21/2023 12:27 PM

Mount Horeb - Park Master Planning

49	I think it's an awesome park. Really nice water fountain and water filling station would be great.	1/21/2023 11:31 AM
50	Please be careful spending tax money. Maintenance is what is needed. Nothing new please.	1/21/2023 11:31 AM
51	We would love to see some natural playscape areas for climbing, exploring, imagining and discovering. Or a zip line feature similar to Glacial Valley park in Cross Plains.	1/21/2023 11:00 AM
52	More trees for shade at Wednesday night Live.	1/21/2023 10:52 AM
53	Sidewalks completely around east, north and west sides	1/21/2023 10:41 AM
54	Pickleball	1/21/2023 10:39 AM
55	Soccer field. Current space is not big enough to fit a regulation sized field of any size	1/21/2023 10:29 AM
56	Pickleball. Tennis courts are at the ms.	1/21/2023 9:26 AM
57	update the baseball field with covers over the dugouts, fix the infield pitchers mound does not line up with home plate & 2nd base.	1/21/2023 8:44 AM
58	With pickleball being the nations number one growing sport, I would love to see a pickleball outdoor court built by the village. If funds allowed, I would love for the indoor building that's being considered to also allow for pickleball to be played indoors	1/21/2023 8:04 AM
59	No	1/21/2023 7:53 AM
60	I think Grundahl park is too small for an indoor space to be built, it would take away from the open space that is much used. I would suggest it get built at a different park that has more space and doesnt have a shelter.	1/21/2023 7:12 AM
61	doggie bag station, bike racks, wheelchair accessibility and bring back the rink for hockey	1/21/2023 6:40 AM
62	We need more softball fields for our youth and an indoor facility for softball and basketball is severely needed compared to what other villages smaller than us, have. We have children practicing at 9pm because of this gap.	1/21/2023 6:05 AM
63	always enjoyed hockey years ago a good public tennis courts are always welcome My child always played on the hill she coined it"Rocky Meadows"	1/21/2023 3:21 AM
64	What is with this connection to the Military Ridge state trail? Do you think visitors from out of town coming in on the trail would be looking for this park? More importantly, the bathroom facilities severely need to be updated, and should have been 20 years ago. The shelter is disgusting. I would also say, with the Summer Frolic operating at the park, that with the placement of the Fire Station across the street, it has turned the street into a very unsafe situation. With the proper foresight and planning, Mount Horeb should have blocked off land to make a larger area, much like a park fairgrounds. But instead, people are forced to park in neighborhoods that are hilly, and the traffic is unsafe at night due to poorly lit streets, with no sidewalks. This supposed "comprehensive plan" seems to completely miss the task of making pedestrian traffic safe on all streets.	1/20/2023 9:47 PM
65	The bathrooms need a redo. They smell terrible and are pretty yucky.	1/20/2023 9:18 PM
66	In terms of restrooms, it would be nice to have 4-season restrooms there since there are not many parks with those in the area (though the 4-season multi-purpose building would probably fulfill that need)	1/20/2023 8:27 PM
67	Indoor basketball court with multiple baskets for open gyms during the winter	1/20/2023 7:59 PM
68	A small off-leash dog area, maybe along the north edge of the baseball diamond (where at least one resident regularly runs his dog off leash) would be really nice. Better use of the upper open area would be good, too. That could be a good location for a year-round building. Just make it attractive, please	1/20/2023 7:53 PM
69	Dedicated Pickleball courts	1/20/2023 7:32 PM
70	The whole park is very outdated. It would be nice for sidewalks to connect to it— Wednesday night live and frolic events are very dangerous with people having to walk on the street side of cars. The playground equipment is very outdated. Would love to see a "Dream Park" like at McKee farms park off PD in Fitchburg. This park could support a splash of area next to lower baseball field.	1/20/2023 7:00 PM

Mount Horeb - Park Master Planning

71	Zip line swing, soft rubber ground or rubber chips	1/20/2023 6:55 PM
72	Stage area for small plays	1/20/2023 6:35 PM
73	Indoor pool	1/20/2023 5:51 PM
74	There is a sidewalk along Blue Mounds Street that intersects the trail??	1/20/2023 5:49 PM
75	Pool!	1/20/2023 5:27 PM
76	Dog drinking fountain	1/20/2023 5:22 PM
77	more parking	1/20/2023 5:00 PM
78	Community Licensed Kitchen	1/20/2023 4:49 PM
79	I'd like to see it focused on nature and green space	1/20/2023 4:39 PM
80	New bathrooms	1/20/2023 4:25 PM
81	I would support a building if it could work as a bball court & maybe have batting cages for indoor practices	1/20/2023 4:17 PM
82	not sure	1/20/2023 4:07 PM
83	I like the idea of a 4 season facility. Not sure Grundahl is the place for it, due to parking constraints and loss of green space.	1/20/2023 4:06 PM
84	The village needs as much rec space as possible for youth sports such as flag football, baseball/softball; please do not turn any of this space into pickleball courts. The idea of a multipurpose building would be beneficial for year around use.	1/20/2023 3:51 PM
85	Basketball hoops, soccer area & skate park area, splash pad.	1/20/2023 3:48 PM
86	Softball facility	1/20/2023 3:44 PM
87	No, due to being a property owner near the park. We do not want any additions that would increase traffic, noise and parking on our street. Events at Grundahl Park often result in littering and having to clean up broken beer bottles is a health hazard.	1/20/2023 3:23 PM
88	Full size basketball courts.	1/20/2023 3:10 PM
89	Play structure like the one at Glacial Valley Park in Cross Plains	1/20/2023 3:04 PM
90	Band shell	1/20/2023 2:46 PM
91	Updated bathrooms, are needed. I hesitate taking away green space from the park to build. I would like clarification of the multi-purpose space. If it's just another spot to put tables, etc I don't think that is needed. However if it's a space where indoor athletics and practices could be held as well, I see a benefit.	1/20/2023 2:43 PM
92	Youth football field	1/20/2023 2:32 PM
93	Fancier stage.	1/20/2023 2:17 PM
94	#19 is incorrect, a sidewalk connection from the Military Ridge trail to the park does exist along Blue Mounds St. The "beer tent hill" is awesome for snowboarding in the winter when we have deep snow, so much softer than Tyrol! Make it bigger :-D	1/20/2023 2:02 PM
95	I think the open space is under utilized. Bathrooms need a major update and drinking fountains.	1/20/2023 1:49 PM
96	I like the idea of an indoor facility, what would be lost in terms of outdoor space? All the outdoor space seems like it is currently used and there is desire for more.	1/20/2023 1:26 PM
97	Community rooms for events like Book Club	1/20/2023 1:20 PM
98	Grundle is one of the most used parks besides sunrise. I would not take anything out or away from what is there. The bathrooms may need to be updated or at least have soap and papers regularly stocked... but something indoor like being proposed near sunrise is definitely needed	1/20/2023 1:16 PM
99	Bathrooms close to the play equipment large enough to accommodate a couple people because parents are usually with their children there. Children can't wait to walk half way	1/20/2023 1:03 PM

Mount Horeb - Park Master Planning

across the park to go to the bathroom!! I would also like to see better equipment for handicap individuals like wheelchair swing.

100	The bathrooms need updating. Toilets were always leaking and there was water on the floor.	1/20/2023 12:52 PM
101	No	1/20/2023 12:47 PM
102	Set aside some of the area for native habitat restoration	1/20/2023 12:44 PM
103	A splash pad!!!	1/20/2023 12:44 PM
104	Is there no more ice rink put down there in the winter? That was great for hockey, especially.	1/20/2023 12:43 PM
105	Update current shelter especially bathrooms	1/20/2023 12:43 PM
106	Indoor Batting cages for Baseball/Softball	1/20/2023 12:43 PM
107	An indoor event space would be great! Especially if it could be used for increased Rec Dept programming and org/group/scout meetings.	1/20/2023 12:41 PM
108	Expand WNL stage; configure to more bowl shaped seating. Space could be used for frolic music and school music concerts	1/20/2023 12:37 PM
109	Baseball field improvements	1/20/2023 12:29 PM
110	Why change anything? It's a beautiful space that has served Mount Horeb well for many many years!	1/20/2023 12:23 PM
111	Splash pad. If not at Grundahl park then definitely somewhere else in MH.	1/20/2023 12:17 PM
112	small dog park. For the size of Mt Horeb it's needed. Smaller villages have them!	1/20/2023 12:10 PM
113	More trees or shade.	1/20/2023 11:51 AM
114	High investment facilities (e.g. new building, splash pad) at Grundahl Park are desirable but should only be pursued based on a collective planning with other facilities (e.g. new outdoor pool, school rec facilities, newly proposed sports complex, etc) to ensure efficiency of resources. Thank you!	1/20/2023 11:44 AM
115	We need amenities/activities for the adult community in the village. There are plenty of outdoor and indoor spaces for children, but is severely lacking for the adult community. I would like to see pickle ball courts at Grundahl or and indoor space dedicated to adult community amenities.	1/20/2023 11:39 AM
116	Large trees are amazing for shade all parks need shade. Batting/hitting cages both indoors/outdoors,	1/20/2023 11:32 AM
117	n/a	1/20/2023 11:26 AM
118	Definitely needs update bathrooms and drinking water and shelters and seating'	1/20/2023 10:59 AM
119	The lower area of Grundahl Park, bordered by arborvitae, is an ideal location for outdoor pickleball courts. There are bathroom facilities,parking and natural windbreaks at this location.	1/20/2023 10:50 AM
120	would need more information ... if you build, is the younger generation willing to work and keep it going? Not a lot of drive in younger people wanting to play outside and/or work.	1/20/2023 10:42 AM
121	We'd love to see rubber chips or a soft playground base.	1/20/2023 10:33 AM
122	The south west side of the village is severely lacking in play structures on the neighborhood park level. Grundahl is nice but it's status as a community park means many times the play structures are not as available for young kids. Grandma Foster's would be ok if it was accessible from the bike trail, but its location on Main St is not ideal for that either.	1/20/2023 10:29 AM
123	I'm not sure what parking you are referring to? The small number of parking spaces on the west side? I see a larger need for sidewalks along the streets that border the park. I do not understand how the Village permitted the building of the new fire/police station without continuous sidewalks along Blue Mounds Rd on both sides of the street. A new outdoor amphitheater with restrooms, a locker room for performers and permanent seating would greatly enhance the park. Contact the city government of Ladysmith, WI to see how they were able to construct a first class facility in Memorisl Park.	1/20/2023 10:24 AM

Mount Horeb - Park Master Planning

124	Pickle Ball would be AWESOME!!!!!!!!!!!!!!!!!!!!!! Yes, PICKLE BALL!	1/20/2023 10:22 AM
125	Trees? Used to live right across the street 32 years earlier and there are less trees there now than there were back then. Maybe more benches I think there are two on the whole walking pathway maybe some benches at the top of the hill? Would be pretty cool to sit and watch the sunset. But that restroom building is quite outdated	1/20/2023 10:14 AM
126	More benches by the playground (also, more stable picnic tables/benches in general, some have been kind of wobbly in the past!)	1/20/2023 10:13 AM
127	A cross walk across the road to the sidewalk by the fire station. It's unsafe to cross the busy street with kids.	1/20/2023 10:11 AM
128	No	1/20/2023 10:02 AM
129	Pickleball	1/20/2023 9:58 AM
130	An indoor pool! We NEED this.	1/20/2023 9:56 AM
131	It's crucial to keep the baseball and soccer/football field at Grundahl. Both of those play an important role for youth sports.	1/20/2023 9:56 AM
132	LOVE the idea of a new building that can be used year round. It's our largest park and could really use an upgrade with a facility of that nature. The enclosed shelter has been dark with continually damp/slippery floors since I worked there daily in the summers when I was a teenager (+20 years ago). Also need a family/gender inclusive restroom.	1/20/2023 9:56 AM
133	The streets leading to grundal on the east side should have sidewalks	1/20/2023 9:55 AM
134	I'd love indoor pickleball courts.	1/20/2023 9:55 AM
135	Bocce Ball Court	1/20/2023 9:44 AM
136	Get rid of the horseshoe pits and utilize that space.	1/20/2023 9:41 AM
137	I marked splash pad above, but really want to advocate for one! It would be great to have a public splash pad. Currently we have to leave town to use a splash pad, and then spend money in other cities while we are there. I would love to stay local and support our Mt Horeb businesses. Also, a concession stand would be awesome in the summer with soft serve ice cream and other items. Lastly, a park like the Glacial Valley Park in Cross Plains would be so awesome to have in Mt Horeb! My kids love the zip line swing!	1/20/2023 9:39 AM
138	absolutely not pickleball space for flag football and 4v4 soccer	1/20/2023 9:38 AM
139	Indoor pickleball courts would generate a lot of revenue	1/20/2023 9:18 AM
140	Splash pad	1/20/2023 9:10 AM
141	Indoor basketball in the new multi purpose building.	1/20/2023 8:17 AM
142	Enclosed dog area	1/20/2023 8:15 AM
143	A toddler playground next to the larger one.	1/20/2023 8:12 AM
144	Bathroom update!!	1/20/2023 7:59 AM
145	Accessible playground equipment for children with disabilities	1/20/2023 7:42 AM
146	Instead of connecting to the Military Ridge Trail how about more sidewalks around the park. We walk in the street or through parking stalls now - not ideal.	1/20/2023 7:41 AM
147	Updated playground equipment. Better use of all of the green space	1/20/2023 7:34 AM
148	Zip line and larger play equipment like the park in cross plains off of bourbon street. Great park that we go to often! Would love for something like that with a splash pad	1/20/2023 7:32 AM
149	Disc golf would be an amazing addition!	1/20/2023 7:26 AM
150	NOT pickleball. Green space is needed for youth sports	1/20/2023 7:18 AM
151	Grundahl is perfect as is. Before altering it, do due diligence by observing it (we lived a block away for 7 years, with younger kids and were nearly daily users) and while there are quiet	1/20/2023 7:16 AM

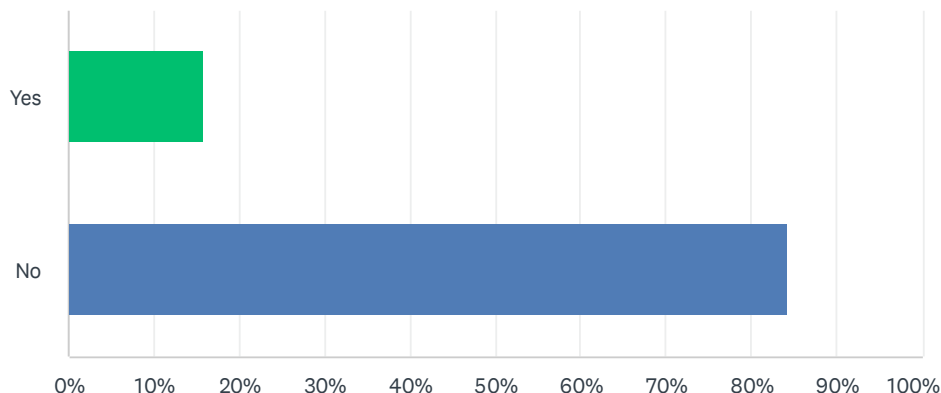

Mount Horeb - Park Master Planning

times at the park, there aren't many quiet days. As population increases in the neighborhood, adding niche activity structures that reduce open access is not the move

152	More garbage cans around the path.	1/20/2023 7:01 AM
153	Another youth baseball/softball field.	1/20/2023 6:56 AM
154	It would be nice to connect Grundahl Park to the trail, but I don't see how that would be possible due to housing and a village building sitting in between them. I think signage at the trail and Blue Mounds Street would work well instead.	1/18/2023 3:33 PM

Q21 Do you have any concerns about safety or accessibility in these parks?

Answered: 637 Skipped: 106

ANSWER CHOICES	RESPONSES
Yes	15.86% 101
No	84.14% 536
TOTAL	637

#	IF YES, PLEASE DESCRIBE THE NAME OF THE PARK AND THE CONCERN.	DATE
1	While wood pellets are environmentally friendly and probably cheap to come by, they often cause injury. If we switched to rubber surface or rubber tire sort of options, itd help when kids fell. Wouldnt cause injury like cuts or slivers.	2/10/2023 8:44 AM
2	ADA and accessible playground would be great for children with mobility needs	2/9/2023 8:44 PM
3	accessible playground for children in wheelchairs to include playground surfacing.	2/9/2023 12:53 PM
4	Very steep.	2/7/2023 5:03 PM
5	Accessibility - consistent sidewalk traveling through park	2/5/2023 4:55 PM
6	Grundahl - there are no sidewalks in the neighborhoods around the park and this no way to safely walk from a parked car to the park - especially considering how many events occur at night	2/4/2023 6:25 PM
7	I think if there was more lighting and more monitoring at the park at night, and maybe even in the daytime, problem teens would be less likely to make it their hangout	2/4/2023 3:30 PM
8	With Grandma Foster's park being so close to Main Street having a large fence might be safer for those with small children.	2/4/2023 2:07 PM
9	The current picnic shelter is often misused and abused	2/4/2023 3:13 AM
10	Not enough handicap equipment, swings etc	2/3/2023 8:36 PM
11	Grandma Foster has no safe nearby parking. But this is a concern at for a lot of the parks in Mount Horeb (Waltz Park, looking at you.... absolute nightmare.)	2/3/2023 3:34 PM
12	Grandma Foster - think the location is completely unsafe for small children due to heavy traffic on Main and Blue Mounds Streets. I do not think it should be designed to entice play for children, whether accompanied by an adult or on their own. The lot behind the park typically	2/3/2023 11:07 AM

Mount Horeb - Park Master Planning

includes heavy equipment which can easily be a draw for children to play on and risk getting hurt. The park area is too small to be a park, in the usual connotation of the word. Grundahl Park - As mentioned above, surrounding neighborhoods of the Park need to have sidewalks installed. With all the activities held at the Park, it is completely unsafe to have children with or without parents walking in the streets to get to the Park. This is a serious issue.

13	Grandma Moses Park is a bit close to the road. It would be great if enough land was acquired to allow new equipment to be placed a bit further from the road and surrounding businesses	2/2/2023 9:44 PM
14	No sidewalk around Grundahl	1/31/2023 3:18 PM
15	More lights for safety and lighted trails for access to and from the parks to the Military Ridge Trail.	1/31/2023 2:11 PM
16	As previously mentioned, a fence is needed at Grandma Foster because running toddlers can easily get past the decorative split rail fence.	1/30/2023 7:49 PM
17	The bathrooms need improvements.	1/26/2023 9:46 AM
18	No parking at Grandma Foster. Park needs to be larger to act as Village focus or square on Main Street.	1/25/2023 9:54 AM
19	Extended nets down the 1st and 3rd baselines is critical to protecting Frolic attendees from a foul ball.	1/24/2023 1:51 PM
20	Not enough lighting in play area	1/23/2023 1:25 PM
21	More parking, on the opposite side of the park as well.	1/23/2023 9:02 AM
22	Grandma foster park is right on the main road. Concerning with young kids	1/23/2023 7:31 AM
23	A more direct path to the playground from more towards the preschool would be nice, for those with mobility issues they have to go below the playground, around it, then up, or all the way above it and down. Having a more level and consistent path would be very helpful for mobility.	1/23/2023 6:08 AM
24	Grandma Foster: Evening lighting and very close to Bus 151. Grundahl Park: The tall bushes near the road and soccer field is too dense - feels like a safety concern. I would thin them out so you can see through them from the road.	1/22/2023 5:22 PM
25	The lack of a sidewalk linking grundahl park to the downtown area is a serious safety concern	1/22/2023 11:43 AM
26	There is not a sufficient amount of accessible playground equipment or space at either park. Creating a playground that is completely accessible would be an amazing feature to bring to the village. Grundahl park has the space to make that a reality.	1/22/2023 8:57 AM
27	Grandma park is too close to roads with no fencing for young children. This is the main reason we don't use it.	1/21/2023 3:38 PM
28	The roads leading to Grundahl do not have sidewalks, so kids and families need to walk in the street.	1/21/2023 2:01 PM
29	There should be a walking sidewalk up above from the street to the shelter! Cause when you park on the street you have to walk downhill in the grass to enter the shelter.	1/21/2023 12:46 PM
30	Grandmas is accessible to traffic. Grun. Pk. Is not easily located .only residents know where it is.	1/21/2023 12:33 PM
31	Grandma Foster park is too close to main street to be safe for children. There also are not that many houses in the area (more commercial) Why not put parks in older sections of town that don't have them?	1/21/2023 10:57 AM
32	Grundahl if walking from the other side of main, there are some roads without sidewalks	1/21/2023 10:09 AM
33	The restrooms at Grundahl need improvements. They should be bigger and with natural lighting. They feel dark and scary at times. I don't like sending kids there alone.	1/21/2023 10:05 AM
34	neither park is easy to use if needing to use a walker or wheelchair	1/21/2023 9:19 AM
35	parking being next to heavy traffic main street	1/21/2023 8:50 AM
36	Foster park is next to a busy street and hard to get to safely.	1/21/2023 8:31 AM

Mount Horeb - Park Master Planning

37	Grundhal - just needs to be updated	1/21/2023 8:17 AM
38	Safety at baseball games - foul balls.	1/21/2023 6:42 AM
39	Some areas of Grundahl Park cannot be seen from surrounding streets. If a facility is built, I hope it is positioned close to Blue Mounds Road or Parkway, so that it can easily be seen and accessed from existing streets. That would also allow the big open grassy space at the top of the park to remain untouched.	1/20/2023 10:48 PM
40	Yes, I already mentioned those concerns for pedestrian safety, due to the lack of a complete system of sidewalks.	1/20/2023 9:51 PM
41	Some of the hills can be very difficult for wheelchairs	1/20/2023 8:44 PM
42	Just feel that Grandma Fosters park being on Main Street is not safe for a playground area. It should be a pretty green space area for a large Christmas tree area and small rink with a place for hot choc to be sold....keeping the small town feel.	1/20/2023 7:42 PM
43	Gradma Fauster park is very close to a busy street.	1/20/2023 7:41 PM
44	There is no safe walking access to Grundahl park. There are not sidewalks to get families safely to it. Nor is there a painted/marked crosswalk from Grundahl to the public safety buildings.	1/20/2023 7:03 PM
45	Restrooms are out of the way kinda of scary	1/20/2023 6:57 PM
46	Need easier access for wheelchairs	1/20/2023 6:37 PM
47	Accessibility could be improved to be more inclusive to access each area and move throughout	1/20/2023 6:25 PM
48	Grandma Foster- so close to a busy road	1/20/2023 5:47 PM
49	I think that side walls are needed around Grundahl park. There is a lot of foot traffic from multiple directions (especially 1st street) and it can be dangerous on the side roads	1/20/2023 4:51 PM
50	Bathroom doors are hard to open and hard to reach paper towels.	1/20/2023 4:27 PM
51	Need more parking	1/20/2023 4:15 PM
52	Add some accessible playground equipment.	1/20/2023 4:08 PM
53	Only accessible by road	1/20/2023 3:56 PM
54	I am concerned about my health and safety during events that attract a high number of people to Grundahl park. During large events a high volume of people park on my streets (I live on a corner lot). I have a disability that affects breathing (asthma/allergies) and the cigarette smoke and toxic fragrance chemicals from car air fresheners, perfume and scented personal products puts my health at risk. Even with the windows closed, these fumes have gotten into my home and put my health at risk. During these events, I often have to leave my home and stay somewhere else. This is unfair. This could be improved by having parking elsewhere, and shuttling people to the park on busses. Another option that could help is limiting parking to one side of the street.	1/20/2023 3:43 PM
55	Grandma Foster - close to roadway	1/20/2023 3:42 PM
56	I feel like there should be more lighting. We walk through there a lot for exercise, and it seems quite dark in the mornings/evenings.	1/20/2023 3:41 PM
57	lack of lighting at grundahl	1/20/2023 3:39 PM
58	The grandma foster park can get dark and there is not enough lighting later in the night.	1/20/2023 3:10 PM
59	Both parks need sidewalks and safe crossing areas	1/20/2023 3:05 PM
60	Granny park to close to busy main rd. Not ideal for small kids	1/20/2023 2:46 PM
61	Don't know about Foster because I do not use it. It would be great if there were walks or steps into the park from Parkway drive. Steep slope into the park near the shelter is dangerous.	1/20/2023 2:34 PM
62	Parking might be difficult with an expansion of Grandma's park.	1/20/2023 2:17 PM

Mount Horeb - Park Master Planning

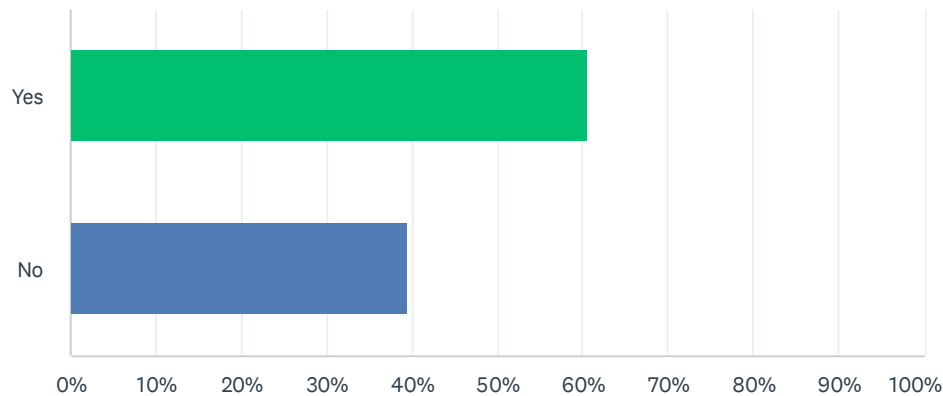

63	I'm always leery of drug deals going down in the parking lot at Grundahl. And at the dam at Stewart Lake.	1/20/2023 2:16 PM
64	Grundahl park is difficult for handicapped to walk.	1/20/2023 1:35 PM
65	Traffic by grandma foster	1/20/2023 1:29 PM
66	The park structures tend to be for older children. If possible make a play structure suitable for 1-2 year olds children too.	1/20/2023 1:23 PM
67	Bathrooms too far away from play equipment.	1/20/2023 1:05 PM
68	Grandma foster park is so close to the roads	1/20/2023 12:43 PM
69	I'd love to see a more inclusive space especially for people with disabilities	1/20/2023 12:37 PM
70	Grandma Foster park and the road - lack of barriers	1/20/2023 12:19 PM
71	Sidewalks connecting to the park would be fantastic	1/20/2023 12:11 PM
72	Prioritize pedestrian safety within and on connections to parks. Install traffic calming measures near parks to reduce speeds of vehicles. Encourage park users to bike/walk instead of drive. Fewer cars in and around parks means safer parks. Park users can walk/bike but installing amenities such as raised cross walk, prioritize locations of bike parking, ensure sidewalks leading to parks are clear in the winter, preclude car parking within parks (install a baseball field instead), when installing car parking ensure it is designed with ADA/Ped facilities.	1/20/2023 11:50 AM
73	The safety at Grandma Foster is a concern as it is close to the busy main street and traffic for children.	1/20/2023 11:50 AM
74	Grundhal bathrooms sketchy and old. Do not have men's and womens joining entrance hidden/connected.	1/20/2023 11:39 AM
75	Safety at Grandma Foster's park is a concern due to traffic on main street. If a splash pad was installed here, I would be concerned about safety of children and families accessing this park with such a busy street so close to this park. Pickleball courts would be a safer choice because adults would primarily be accessing this park.	1/20/2023 11:06 AM
76	Always have lighting!	1/20/2023 11:00 AM
77	Grandma's is right on Main St, while towards the end many cars still drive pretty quickly...personally feel it is too busy of a road to have kids playing next to.	1/20/2023 10:47 AM
78	Grandma Foster Park is a bit tricky to access with the lack of surrounding sidewalks/access to the bike trail.	1/20/2023 10:45 AM
79	Bathrooms	1/20/2023 10:40 AM
80	The soccer field area and restroom building at Grunduhl feels isolated and I've felt nervous taking my daughter by myself there. We love the sandpit but the wood surrounding it is splintering and falling apart at Grunduhl.	1/20/2023 10:40 AM
81	We have decided against rental a shelter at Grundahl for a graduation as getting grandparents using walkers to the shelters and the restrooms would be too much.	1/20/2023 10:33 AM
82	Lack of sidewalks. Pedestrians are forced to walk in the streets with vehicle traffic. The Village is very fortunate a serious vehicle/pedestrian accident has not happened.	1/20/2023 10:31 AM
83	Grandma could use well maintained sidewalks	1/20/2023 10:29 AM
84	Foster is a little close to the main road. Would be nice if is fenced in (at least partially on the busy side) in some way to feel a little safer for smaller children that like to run.	1/20/2023 10:26 AM
85	G	1/20/2023 10:16 AM
86	See past comment- a crosswalk is needed across Blue Mounds street to Grundahl.	1/20/2023 10:12 AM
87	Grandma Forster park is too close to the main rod and there's not much parking.	1/20/2023 10:03 AM
88	It's kind of dark at night more lights needed	1/20/2023 10:02 AM
89	The lack of sidewalks on the east side	1/20/2023 9:57 AM

Mount Horeb - Park Master Planning

90	On the safety aspect, the parks are not maintained well. Other communities take care of the parks better, all the ground is lumpy and uneven, all of the grading runs the wrong ways and causes soft spots all over or the clay from the baseball diamond runs out into the parking lot and walkway.	1/20/2023 9:49 AM
91	Grandma is close to a busy road, not a big fan of that for younger kids. Maybe gear amenities towards adults.	1/20/2023 9:45 AM
92	Sometimes groups of kid loiter or skateboard	1/20/2023 8:16 AM
93	Grandma Foster being so close to main st is a concern.	1/20/2023 8:16 AM
94	Would love to have more sidewalks on all perimeters of Grundahl park	1/20/2023 8:16 AM
95	Sidewalks	1/20/2023 8:05 AM
96	Grandma Foster is right by main st, and is pretty little. I've never felt comfortable playing with my kids there because there's no real fence between main st and the park.	1/20/2023 8:01 AM
97	Playgrounds are not accessible for children in wheelchairs or accommodations for other disabilities	1/20/2023 7:43 AM
98	More sidewalks and crosswalks. This is village-wide need but would be a good start near the parks.	1/20/2023 7:42 AM
99	Grundahl park. It was very hard to get an elderly person who still walks, no wheel chair, to the outdoor picnic shelter. Uneven grass, hills, no direct pavement path	1/20/2023 7:37 AM
100	Better lighting in Grundahl would be nice, and lighting would should be added in Grandma Foster Park too. Cameras would be nice to catch vandals.	1/18/2023 3:36 PM

Q22 Do you or members of your household commonly (an average of at least once per month) drive somewhere outside of the Village of Mount Horeb to use other recreational facilities?

Answered: 640 Skipped: 103

55	Tyrol Basin for skiing Verona/Dodgeville for skating/hockey	1/24/2023 10:27 AM
56	Area county/state parks for hiking and xc skiing; neighboring communities for a diversity of playgrounds; splash pad use;	1/24/2023 9:08 AM
57	Verona for Indoor pool usage.	1/24/2023 6:57 AM
58	Splash pad lake in verona	1/23/2023 4:35 PM
59	I travel 2-3 times per week to play Pickleball at Hitters in Middleton, Oregon High School, Fitchburg, Garner Park, Harriet Park. My wife drives to Verona twice a week to swim.	1/23/2023 3:40 PM
60	Donald Park for walking	1/23/2023 3:26 PM
61	Verona and Fitchburg for splash parks	1/23/2023 1:25 PM
62	State Parks for hiking. Frisbee Golf weather permitting.	1/23/2023 12:25 PM
63	Splash pads!	1/23/2023 11:05 AM
64	Middleton splash pad	1/23/2023 10:40 AM
65	Verona Dog Park	1/23/2023 9:53 AM
66	Softball games	1/23/2023 8:36 AM
67	Splash pad	1/23/2023 7:31 AM
68	Indoor pool, Middleton	1/23/2023 6:08 AM
69	We travel outside of Mount Horeb just to see a variety of parks mostly. Donald County Park is great for going on family walks. Parks in other towns (Pine Bluff, Cross Plains) are just nice to give my kids a variety of playgrounds to play on. We also head out to Dodgeville to play disc golf because it's one of the closest places to play that is outside of Dane County (I don't like the fee that Dane County charges to play).	1/22/2023 11:35 PM
70	Lake view park in Middleton. The splash pad and the walking paths are wonderful for families	1/22/2023 11:24 PM
71	Dog park in Verona.	1/22/2023 9:46 PM
72	Indoor Swimming Pool	1/22/2023 8:34 PM
73	Mount horeb does not have an indoor recreation facility nor an indoor pool.	1/22/2023 8:27 PM
74	Visit state parks	1/22/2023 6:30 PM
75	Dog park Indoor ice skating	1/22/2023 4:28 PM
76	Verona Dog Park	1/22/2023 3:05 PM
77	Verona—swimming Fitchburg—splash pad	1/22/2023 2:45 PM
78	We drive to Verona multiple times weekly to use the indoor ice arena for ice skating. The outdoor one in Mount Horeb hasn't been opened yet or we would use that. An indoor arena in Mount Horeb would be incredible.	1/22/2023 11:43 AM
79	More softball fields!	1/22/2023 11:38 AM

Mount Horeb - Park Master Planning

80	Indoor ice arena in Verona.	1/22/2023 11:35 AM
81	Indoor Soccer fields, swimming, gymnastics	1/22/2023 10:58 AM
82	Blue Mounds Walking path	1/22/2023 9:36 AM
83	Other school district gyms for BDL and Club basketball.	1/22/2023 7:56 AM
84	Splash pad	1/22/2023 6:48 AM
85	Indoor swimming pool for club practice. RUSH soccer fields with lights. Club volleyball outside of Mount Horeb	1/21/2023 9:49 PM
86	Dog park	1/21/2023 9:19 PM
87	Keva. Verona athletic	1/21/2023 7:39 PM
88	Verona indoor pool - lap swim. Middleton indoor baseball. Madison - gymnastics.	1/21/2023 7:20 PM
89	Verona splash pad/beach New Glarus playground	1/21/2023 6:51 PM
90	Pickle ball courts by Middle School, other parks with updated play equipment	1/21/2023 6:30 PM
91	All over the state as we don't have enough indoor facilities.	1/21/2023 4:00 PM
92	Verona dog park	1/21/2023 3:50 PM
93	Pine Bluff Community Building, Brigham Park in Blue Mounds, Blue Mounds State Park Building.	1/21/2023 3:46 PM
94	Preschool playgroup in the winter is at gymfinity in Fitchburg. We go to swim lessons in Fitchburg. We also use the blue mounds friends shelter.	1/21/2023 3:38 PM
95	Pickleball courts	1/21/2023 2:11 PM
96	YMCA- swimming, exercise	1/21/2023 1:54 PM
97	Verona Little League fields, Community Park & Lincoln Park in Verona	1/21/2023 1:04 PM
98	Blue Mounds for Scout meetings	1/21/2023 12:46 PM
99	Blue mounds state park, for swimming,trails,picnics.	1/21/2023 12:33 PM
100	Indoor pool	1/21/2023 12:26 PM
101	We drive to Middleton, Verona, Fitchburg to rent indoor space to practice sports	1/21/2023 12:10 PM
102	Mscr for dance, Verona for splash pad	1/21/2023 11:52 AM
103	The Verona HS open swim warm pool	1/21/2023 11:32 AM
104	indoor baseball and basketball	1/21/2023 11:26 AM
105	Glacial Valley Park zip line, Cross Plains; McKee Farms Park play structure, Fitchburg; Verona splash pad, Blue Mounds State Park splash pad, state parks and nature parks	1/21/2023 11:08 AM
106	Stewart park for walks and picnic, Brigham for the same, and blue mounds for picnics.	1/21/2023 10:57 AM
107	Not that frequently, besides Tyrol Basin in winter	1/21/2023 10:50 AM
108	Blue Mounds State Park	1/21/2023 10:33 AM
109	We drive to Fitchburg (dream park), Verona (fireman's park), or blue mounds to use the splash pads	1/21/2023 10:09 AM
110	Blue mounds, cross plains, Verona for pickleball	1/21/2023 9:27 AM
111	Skate parks in Madison and other nearby communities. Also, Madison and Verona to use indoor swimming pools.	1/21/2023 9:19 AM
112	Ymca	1/21/2023 9:01 AM
113	pools in verona - swim team, beast, silver sluggers and forward in Middleton and fitchburg, waunakee baseball fields for baseball and softball training for kids, oregon gyms for basketball	1/21/2023 8:50 AM

Mount Horeb - Park Master Planning

114	Sporting events	1/21/2023 8:17 AM
115	Indoor pickleball during the winter months, and outdoor courts during the nicer months. I also drive to Verona for the dog park and I visit Stewart, Donald and BM parks for their hiking.	1/21/2023 8:07 AM
116	Disc golf	1/21/2023 7:53 AM
117	Other parks for playgrounds and splash pads.	1/21/2023 7:27 AM
118	Glacier park in Cross Plains...AWESOME updated playground	1/21/2023 7:16 AM
119	hiking, Ice Age trail, swimming at hotels, i miss the exercise place by the high school (Park Course)	1/21/2023 6:42 AM
120	Indoor facilities for our kids to practice baseball / softball. We did not grow up here but moved here because of the great community but it is unfortunate how often we have to go outside of Mount Horeb for sporting evening because of the lack of options in Mount Horeb. It is really sad when we talk with friends / co workers etc and we hear / see what other communities have. Mount Horeb really needs to do something and add on more sporting facilities (indoor and outdoor).	1/21/2023 6:42 AM
121	Verona for different playground equipment	1/21/2023 6:22 AM
122	Indoor Pitching and hitting facilities located out of Mo Ho. Softball	1/21/2023 6:10 AM
123	All neighboring towns -have way better fields and facilities to keep kids active.	1/21/2023 6:07 AM
124	Splash pad in Verona and Mazo. Trails and parks in Cross Plains and Middleton.	1/21/2023 12:05 AM
125	Dog park in Verona	1/20/2023 10:44 PM
126	Blue mounds for bbq	1/20/2023 10:17 PM
127	Dog parks	1/20/2023 9:56 PM
128	Blue Mounds State Park for hiking trails	1/20/2023 9:55 PM
129	Some other towns have better parks, and are much better with facilities. Mount Horeb park facilities at Grundahl and Foster Park are severely outdated. Heck, why don't we put up a Civil War Statue? (haha, just being sarcastic here).	1/20/2023 9:51 PM
130	Verona	1/20/2023 9:43 PM
131	Gymnastics (Madtown Twisters), indoor pool (Middleton/Verona)	1/20/2023 9:20 PM
132	Advantedge Sports in Verona, elite speed classes.	1/20/2023 9:20 PM
133	Madison, sun prairie, Oregon, Dells, Baraboo for hiking and camping	1/20/2023 9:07 PM
134	Other playgrounds for variety	1/20/2023 8:11 PM
135	Verona & Fitchburg parks including splash pads in summer; Softball Fields for my 5th grader; and Palmer Park in Janesville to visit with friends/family and use wading pool in summer	1/20/2023 8:08 PM
136	Dairy Ridge Dog Park	1/20/2023 7:53 PM
137	Blue Mounds, Cross Plains, Middleton parks	1/20/2023 7:45 PM
138	Verona, hariet park for pickleball. Verona athletic Center pickleball Middleton,Hitters sports complex pickleball. Dane County Parks, hiking	1/20/2023 7:41 PM
139	Splash pad, parks, athletic fields	1/20/2023 7:29 PM
140	Sauk City Splash pad or splash pads in Madison	1/20/2023 7:23 PM
141	Pools- Verona, Barneveld. Parks- McKee Farms Park, new Cross Plains park, Splash Pads- McKee Farms Park, Blue Mounds State Park	1/20/2023 7:03 PM
142	Verona, splash pad	1/20/2023 6:57 PM
143	Blue mounds splash pad, barneveld parks, ridgeway parks	1/20/2023 6:25 PM
144	Arcades and indoor pool.	1/20/2023 5:52 PM

Mount Horeb - Park Master Planning

145	Various splash pads, different area parks for a change of scenery	1/20/2023 5:47 PM
146	Pool! The outdoor sucks!	1/20/2023 5:28 PM
147	Black Earth Children's Museum. Fitchburg dream park.	1/20/2023 5:27 PM
148	indoor basketball and baseball/softball facilities	1/20/2023 5:24 PM
149	Splash pad etc	1/20/2023 5:13 PM
150	Blue Mounds State Park	1/20/2023 5:12 PM
151	Mountain biking, dog park	1/20/2023 5:06 PM
152	County park	1/20/2023 5:00 PM
153	Blue Mounds State Park, Brigham County Park -- for hiking and Wheelchair trail at Brigham down to Cave of the Mounds), picnics	1/20/2023 4:52 PM
154	Donald Park and Stewart Park for trails	1/20/2023 4:45 PM
155	Hiking, picnics in Brigham, Donald, and Blue Mounds parks	1/20/2023 4:40 PM
156	Indian Lake Park for the dog area	1/20/2023 4:20 PM
157	Waterloo, softball Barneveld, volleyball	1/20/2023 4:15 PM
158	Blue Mounds. Biking, hiking	1/20/2023 4:08 PM
159	Swimming	1/20/2023 4:06 PM
160	Keva for practices, dodgeville for hockey, barneveld for youth tackle football in prior years	1/20/2023 3:53 PM
161	gymnastics	1/20/2023 3:50 PM
162	Blue Mouds state park for their splash pad.	1/20/2023 3:50 PM
163	Middleton	1/20/2023 3:45 PM
164	Verona Athletic Center with SEA - Pickleball	1/20/2023 3:42 PM
165	Splash pads and zip line parks	1/20/2023 3:25 PM
166	Blue Mounds State Park for hiking and the swimming pool	1/20/2023 3:17 PM
167	Softball, basketball, flag football- surrounding communities	1/20/2023 3:12 PM
168	We drive to Verona for splash pad	1/20/2023 3:10 PM
169	Verona and Oregon for pickleball	1/20/2023 3:10 PM
170	Brigham county park	1/20/2023 3:03 PM
171	Brigham county park for more open space	1/20/2023 2:58 PM
172	Other communities that are able to hold youth tournaments/games.	1/20/2023 2:53 PM
173	Blue Mounds State Park, Donald Park	1/20/2023 2:48 PM
174	Verona, Middleton, Waunakee, Fitchburg, etc. for indoor baseball facilities, futsal, basketball, weight training, indoor football fields. MH lacks all of these facilities and is falling behind. Families are going to begin choosing other communities that offer more in these areas.	1/20/2023 2:47 PM
175	Verona splash pad	1/20/2023 2:46 PM
176	Soccer . . .TOCA	1/20/2023 2:45 PM
177	Dog park	1/20/2023 2:42 PM
178	We like to go hiking at either Governor Dodge or Blue Mound State Parks. Also, we like to disc golf in and around Madison Spring through Fall.	1/20/2023 2:40 PM
179	Cross plains Glacier valley park- zip line and huge play equipment Fitchburg Mckee farms park- play equip and splash pad	1/20/2023 2:36 PM

Mount Horeb - Park Master Planning

180	Fireman's Park in Verona for the splash pad.	1/20/2023 2:31 PM
181	Dodgeville, Verona, Dubuque for ice hockey.	1/20/2023 2:18 PM
182	Verona dog parks	1/20/2023 2:17 PM
183	Governor Dodge, Swimming	1/20/2023 2:17 PM

206	Verona- pickle ball and dog park	1/20/2023 12:47 PM
207	Various facilities around the county	1/20/2023 12:45 PM
208	Stewart and Donald County Parks. Blue Mound State Park	1/20/2023 12:44 PM
209	Verona splash pad	1/20/2023 12:44 PM
210	Blue mounds park because it has a nice nature trail	1/20/2023 12:40 PM
211	We explore all parks in Dane County and beyond	1/20/2023 12:37 PM
212	Splash pads	1/20/2023 12:32 PM
213	verona dog park	1/20/2023 12:31 PM
214	We drive to go to dog parks since this is not an option here in town	1/20/2023 12:31 PM
215	Verona/Blue Mounds for splash pads, other parks with year-round restrooms	1/20/2023 12:31 PM
216	Verona and stoughton basketball courts via SEA	1/20/2023 12:30 PM
217	Indoor baseball	1/20/2023 12:29 PM

Mount Horeb - Park Master Planning

218	Verona pool	1/20/2023 12:27 PM
219	Visit other playgrounds with more advanced/updated playground equipment, such as the one in Cross Plains	1/20/2023 12:27 PM
220	Splash of. Verona	1/20/2023 12:26 PM
221	Only for sports competitions against other teams in other communities.	1/20/2023 12:24 PM
222	Splash pad, dog park	1/20/2023 12:23 PM
223	all around	1/20/2023 12:19 PM
224	Verona/Blue Mounds/Stoughton-splash pads	1/20/2023 12:18 PM
225	Swimming, Dance classes, children's museums, roller skating.	1/20/2023 12:14 PM
226	Deforest or other communities for walking trails, splash pad and better playground equipment	1/20/2023 12:11 PM
227	Verona has two dog parks, part of Dane county parks.	1/20/2023 12:11 PM
228	Blue Mounds	1/20/2023 12:06 PM
229	Milwaukee for Football and Basketball	1/20/2023 12:04 PM
230	Keva in middleton	1/20/2023 11:56 AM
231	Swim class at SwimWest Fitchburg, also membership at Princeton Club	1/20/2023 11:54 AM
232	For access to lakes	1/20/2023 11:53 AM
233	Indoor pool Verona/Barneveld/Madison, Natural areas (state parks, county parks, etc), disc golf (Madison, etc), paddling (area lakes/rivers), mountain biking, camping	1/20/2023 11:50 AM
234	Myself and my family members have to travel outside of the town for pickle ball and indoor swimming. Examples for pickle ball courts we frequent in the summer months outdoors are Garner Park, Taylor Memorial Park, Oak Street Courts, Harriet Park, Veteran's Park, Tollefson Park, and McGaw park. Indoor courts include Verona sports enhancement, Verona athletic center, Sauk Prairie Comm Center, Hitters SportsPlex, and Oregon High School.	1/20/2023 11:50 AM
235	Donald Park, walking	1/20/2023 11:47 AM
236	Disc golf	1/20/2023 11:46 AM
237	Just sports	1/20/2023 11:44 AM
238	We travel to other community parks for softball/baseball also for personal use. (better equipment and facilities) Also for indoor practice we have limited options so we need to go to other communities that do have indoor gym/batting cages etc.	1/20/2023 11:39 AM
239	Brigham and Blue Mounds Parks	1/20/2023 11:23 AM
240	Fitchburg Splash Pad Verona Playground/Splash Pad	1/20/2023 11:22 AM
241	Verona-Harriet Park multiple times a week spring through fall-pickleball Verona-Aquatic Center several times a month-lap swim and warm water pool activities Verona-Verona Athletic Center several times a month in winter-indoor pickleball Fitchburg-McGaw Park several times a month spring through fall-pickleball Middleton-Taylor Park once a month spring through fall-pickleball Oregon-Oregon HS-several times a month in winter-pickleball Sauk City-Recreation Center several times a month-indoor pickleball	1/20/2023 11:06 AM
242	Middleton has great playgrounds.	1/20/2023 11:00 AM
243	Blue Mounds State Park	1/20/2023 10:58 AM
244	Blue Mounds splash pad	1/20/2023 10:56 AM
245	Swimming lessons for the kids weekly	1/20/2023 10:54 AM
246	Sauk City Recreation Center; Verona Area Community Building (VAC/SEA)	1/20/2023 10:47 AM
247	Waunakee, Cross Plains	1/20/2023 10:47 AM
248	Our kids take gymnastics lessons outside of the community. We'd LOVE more offering for that	1/20/2023 10:45 AM

Mount Horeb - Park Master Planning

throughout the year in addition to what's offered through the summer program.

249	Bigger parks with baseball diamonds where we can practice. The ones here are small and during the season always in use. We need more. And at least a port-o-potty at every little park so something I have always thought would be amazing.	1/20/2023 10:44 AM
250	The larger park in Cross Plains with large playground space including a zip line, of sorts	1/20/2023 10:40 AM
251	Verona, for the splash pad and more updated play equipment.	1/20/2023 10:40 AM
252	Travel to Verona for swim practice Travel to Madison for volleyball practice	1/20/2023 10:33 AM
253	In summer to Madison / Verona for splash pads In colder weather to Madison for indoor playground options	1/20/2023 10:29 AM
254	Splash pad in Verona or Fitchburg. Kid's crossing in Accessible playground in Fitchburg	1/20/2023 10:29 AM
255	Go to Elver park for disc golf and their kid park which is very safe compared to most of our parks equipment wise (especially for toddlers)	1/20/2023 10:27 AM
256	Blue Mounds State Park - for the hiking trails and playground. Playground is away from traffic so it feels safer to let the kids just run.	1/20/2023 10:26 AM
257	Verona	1/20/2023 10:25 AM
258	Soccer fields in verona	1/20/2023 10:24 AM
259	keva-soccer	1/20/2023 10:24 AM
260	pickleball	1/20/2023 10:23 AM
261	Splash pads	1/20/2023 10:22 AM
262	Verona, McFarland, Oregon for Pickleball	1/20/2023 10:22 AM
263	Brigham park huge areas, great equipment.	1/20/2023 10:16 AM
264	To play pickleball at parks in Verona.	1/20/2023 10:14 AM
265	Splash pads	1/20/2023 10:12 AM
266	hiking in the county parks	1/20/2023 10:09 AM
267	Private dog park. To be clear, I would not utilize a public dog park if Mt. Horeb had one.	1/20/2023 10:07 AM
268	Gym space, basketball training	1/20/2023 10:06 AM
269	We use the splash pad at Blue Mounds State Park	1/20/2023 10:03 AM
270	Other local splash pads	1/20/2023 10:02 AM
271	Indoor pool	1/20/2023 10:01 AM
272	To play pickleball	1/20/2023 9:59 AM
273	The new, amazing playgrounds in Cross Plains (zip line) and some neighborhoods in Waunakee. They are way more amazing than what we have available in MH and our kids will ask to go there regularly during warm weather.	1/20/2023 9:58 AM
274	We go to McKee and Monona's dream park. Grundahl should be like those.	1/20/2023 9:57 AM
275	Ice Rink	1/20/2023 9:57 AM
276	Cross Plains Park with the multi-level play structure and zipline Verona Park for the splashpad	1/20/2023 9:56 AM
277	Middleton for indoor pickleball courts in the winter	1/20/2023 9:55 AM
278	We go to Keva for indoor soccer. Not sure if this is the type of thing you mean.	1/20/2023 9:54 AM
279	Verona, Middleton, Waunakee, and Oregon. Grass and sand Volleyball.	1/20/2023 9:49 AM
280	Use splash pads in Verona and Fitchburg	1/20/2023 9:45 AM
281	Splash pad in Verona, pickleball courts in Verona, children's museum in Black Earth.	1/20/2023 9:42 AM

Mount Horeb - Park Master Planning

282	Verona - splash pad and park Cross Plains - glacial valley park Blue Mounds - pool and splash pad	1/20/2023 9:40 AM

317	Mazomanie splash pad in the summer months	1/20/2023 7:01 AM

Mount Horeb - Park Master Planning

318	We visit other updated parks. We love both parks but equipment is outdated.	1/20/2023 7:01 AM
319	Field and court space in Mt Horeb is terrible.	1/20/2023 6:57 AM
320	Nearby state parks and county parks for hiking with our dog, and swimming (Gov. Dodge, Stewart, Donald, Blue Mounds, etc.)	1/18/2023 3:36 PM

Q23 Is there any program, structured activity, or service you would like to see offered in these parks?

Answered: 174 Skipped: 569

#	RESPONSES	DATE
1	Dedicated pickleball courts	2/10/2023 3:37 PM
2	Ultimate frisbee	2/10/2023 12:43 PM
3	One huge thing I would like to suggest is playground equipment and facilities for those who are disabled. There is barely anything in this community that includes the disabled or special needs people. I was at Grundahl park one day and saw a mother have to park her daughter off to the side while her little sibling played on the playground. She should be able to play too and it made me rather sad to see someone who should be having fun just sit there alone and not being able to engage in the joy other kids her age were having.	2/9/2023 9:04 PM
4	More adult classes/boot camps	2/9/2023 8:44 PM
5	I think everything I would like to see has been covered in the above questions. Updating needed at both parks.	2/9/2023 12:53 PM
6	Not particularly	2/6/2023 8:57 PM
7	Summer camps for kids ages 7-11.	2/6/2023 11:11 AM
8	A splash pad in town is needed	2/5/2023 8:05 PM
9	Splash Pad	2/5/2023 4:55 PM
10	A weekly Food Truck night, separate from WNL.	2/5/2023 3:34 PM
11	Bike lessons	2/5/2023 9:54 AM
12	A natural surface off road biking trail like Madison's Aldo Leopold Park pump mountain bike skills loop.	2/4/2023 9:59 PM
13	Summer camp program	2/4/2023 6:25 PM
14	Just a tree lighting / festival I previously mentioned	2/4/2023 3:30 PM
15	Just make things more exciting for kids to be kids, also having nice shady trees and or plants/flowers would be lovely.	2/4/2023 2:07 PM
16	Pickleball :)	2/4/2023 8:19 AM
17	Mount horeb could use more space for sports like soccer and baseball. Soccer fields are limited, especially during club season	2/4/2023 3:13 AM
18	Pickle ball	2/3/2023 9:54 PM
19	Fenced in area to run dogs.	2/3/2023 9:23 PM
20	I wouldn't mind more movie nights at Grundel Park.	2/3/2023 9:23 PM
21	More music, outdoor gathering spaces for events. I like the idea of natural space with walking paths and art instalation	2/3/2023 9:00 PM
22	NA	2/3/2023 6:33 PM
23	Dog Park and/or agility style course. More safe parking options.	2/3/2023 3:34 PM
24	Rec programs for smaller children that aren't school age.	2/3/2023 3:11 PM
25	pickle ball court	2/3/2023 10:35 AM
26	Build a dog park	2/1/2023 4:07 PM

Mount Horeb - Park Master Planning

27	Winter outdoor ice rink with small warming house serving hot cider/hot chocolate. Sledding hill enhancements.	1/31/2023 8:04 PM
28	No	1/31/2023 3:18 PM
29	?	1/31/2023 2:11 PM
30	na	1/30/2023 7:05 PM
31	off leash dog park area in Grundahl. The Village could raise so much \$\$ with a dog park fee.	1/28/2023 11:32 AM
32	More outdoor music during the summer. With all types of music.	1/28/2023 7:34 AM
33	In doors ice skating & hockey ring	1/26/2023 10:40 PM
34	a nicer spot for older folks at Grandma Foster park to read, gather etc An indoor venue would be nice during winter	1/26/2023 4:17 PM
35	Pickleball!!	1/25/2023 5:20 PM
36	Pickle ball	1/25/2023 5:16 PM
37	More pickleball courts would be great. More creative play areas for children too.	1/25/2023 8:52 AM
38	More baseball/softball field space, football field space, an indoor swimming pool, and indoor basketball courts.	1/24/2023 1:51 PM
39	nature walks	1/24/2023 11:24 AM
40	A year-round ice rink	1/24/2023 10:27 AM
41	large 4-season building that can be used for a variety of community events, outside of strictly athletic events.	1/24/2023 9:08 AM
42	Keep Grandma Foster as it is! Having lived next Grundahl, it would be nice if there was a place to hold events, like Frolic, that didn't disturb nearby residents. If an enclosed place for performances would do that, that would be great.	1/24/2023 6:47 AM
43	Pickle ball, volleyball, more music	1/23/2023 9:36 PM
44	no	1/23/2023 6:19 PM
45	We need to start taking care of our aging population with quality activities to keep them wanting to invest in homes in Mount Horeb.	1/23/2023 3:40 PM
46	None	1/23/2023 3:26 PM
47	Chess and checkers playing tables	1/23/2023 1:25 PM
48	Splash pad	1/23/2023 11:05 AM
49	Kids yoga in the park, all ages, free?	1/23/2023 10:40 AM
50	Yoga in the Park	1/23/2023 9:53 AM
51	Live music	1/23/2023 9:02 AM
52	No	1/23/2023 7:58 AM
53	More concerts such as WNL	1/23/2023 6:08 AM
54	No but can we get rid of the beer tent at frolic it's absolutely awful.	1/22/2023 11:24 PM
55	Dog park...	1/22/2023 9:46 PM
56	Mount Horeb needs to consider an indoor recreation building to stay relevant as a high end suburb such as Waunakee and Verona. It would also aid as a facility for teens	1/22/2023 8:27 PM
57	Pickleball in Grundahl	1/22/2023 8:02 PM
58	Farmers Market. Art Fair.	1/22/2023 5:22 PM
59	Music events	1/22/2023 4:28 PM

Mount Horeb - Park Master Planning

60	Not in these parks. Let's get a Fieldhouse/Indoor Pool built off Commerce Dr, along with more football and baseball area. Grundahl too small for indoor space	1/22/2023 2:38 PM
61	Indoor ice arena	1/22/2023 11:43 AM
62	Splash pad for young families	1/22/2023 7:56 AM
63	Mount Horeb is desperately in need on more field space and courts. Baseball, softball, basketball, soccer, volleyball, you name it and Mount Horeb is lacking in all categories. We moved here 16 years ago from Waunakee and their facilities 16 years ago were still better than what Mount Horeb has today.	1/21/2023 9:49 PM
64	Baseball, football.	1/21/2023 7:20 PM
65	Splash pad Toddler playground	1/21/2023 6:51 PM
66	Indoor practice facilities for the youth/schools	1/21/2023 4:00 PM
67	Community Garden or Dog Park.	1/21/2023 3:46 PM
68	Mount Horeb needs a dog park. Grandma park could fill this need.	1/21/2023 3:38 PM
69	Pickleball courts with fence	1/21/2023 2:11 PM
70	Walking group	1/21/2023 1:04 PM
71	Better use of open field areas on top or the hill. Grading may be required and installation of netting or a wall to keep balls from rolling down the hill.	1/21/2023 1:03 PM
72	Swimming for seniors class or just open to seniors in the am.would be awesome	1/21/2023 12:33 PM
73	Splash pad	1/21/2023 11:52 AM
74	How about using the old ice rink between 1st and 2nd streets for a park?	1/21/2023 10:57 AM
75	All age, softball leagues	1/21/2023 10:50 AM
76	I would like the bee issue to be resolved at the pool first.	1/21/2023 10:09 AM
77	More concerts, a splash pad for kids will be great. A nice performing space will be good to have, sheltered for performers but can be open for the audience if cost is too much.	1/21/2023 10:05 AM
78	Swimming pool	1/21/2023 9:01 AM
79	if larger indoor space is created would love to be able to rent for basketball or add a baseball cage for hitting	1/21/2023 8:50 AM
80	Disc golf	1/21/2023 7:53 AM
81	Community events-movies, bingo, musical shows or bands-things that draw all ages and members in our community together	1/21/2023 7:27 AM
82	Would love to see more camps and programming for children under 5	1/21/2023 7:16 AM
83	Hockey league/figure skating, curling	1/21/2023 6:42 AM
84	Walking track	1/21/2023 6:26 AM
85	While not at these parks, need a dog park somewhere in town	1/21/2023 6:22 AM
86	I believe if an indoor facility was built especially with batting cages/pitching lanes softball/baseball people would Pay to use these types of things. We always seem to cater to basketball football it's time we start thinking about softball/baseball	1/21/2023 6:10 AM
87	I always felt the flat lawn also would be nice for a indoor ice arena,public,event rental,indoor pool, if going big\$?	1/21/2023 3:26 AM
88	Splash pad!!!!	1/21/2023 12:05 AM
89	Not pickle ball!	1/20/2023 9:56 PM
90	No statues, no water fountains. But yes on drinking fountains. And drop any concerns about linking these parks to the Military Ridge trail. That is unnecessary because no one from out of town cares. Anyone coming from Verona only cares about stopping to eat at either Skaal or the	1/20/2023 9:51 PM

Mount Horeb - Park Master Planning

Grumpy Troll. What is better needed is better and more bike racks at the shelter on the trail between 1st and 2nd streets.

91	More activities	1/20/2023 9:43 PM
92	I think our Rec department has great offerings for a village of this size.	1/20/2023 9:20 PM
93	Not sure.	1/20/2023 9:20 PM
94	Indoor pool	1/20/2023 7:41 PM
95	There needs to be an indoor swim pool availability. With swimming lessons and other structured activities.	1/20/2023 7:41 PM
96	Yoga	1/20/2023 7:36 PM
97	Splash pads would be a wonderful addition to the growing Mount Horeb Community!	1/20/2023 7:23 PM
98	Yoga, Thai Chi,	1/20/2023 6:37 PM
99	I would love to see a splash pad and a bigger, better, more exciting playground in the village. We have driven to Elver park in Madison several times in the past for these amenities.	1/20/2023 6:37 PM
100	The youth need more football field space.	1/20/2023 5:49 PM
101	A pool	1/20/2023 5:28 PM
102	Sand volleyball	1/20/2023 5:17 PM
103	Drop in co-ed sports, outdoor public workout equipment, dog run area	1/20/2023 4:51 PM
104	Mount Horeb is in need of Youth Football Fields and basketball courts.	1/20/2023 4:24 PM
105	swimming	1/20/2023 4:08 PM
106	Indoor swimming	1/20/2023 4:06 PM
107	As much space for youth sports as possible. Mount Horeb overall is lacking in fields/gyms/space	1/20/2023 3:53 PM
108	gymnastics	1/20/2023 3:50 PM
109	Softball	1/20/2023 3:45 PM
110	As I mentioned above, please consider off site parking for large events and shuttling people using busses to cut down on the impact of traffic near Grundahl park. A good example of this is the Nekoosa Giant Pumpkin Fest. They have parking at the school and shuttle people to the event using school busses.	1/20/2023 3:43 PM
111	Pickleball	1/20/2023 3:42 PM
112	softball!	1/20/2023 3:10 PM
113	I would love a splash pad, something to keep families in mount horeb	1/20/2023 3:10 PM
114	Dedicated pickleball courts	1/20/2023 3:10 PM
115	Outdoor movie screen for summer viewings, Covered stage or band shell.	1/20/2023 2:48 PM
116	pickleball	1/20/2023 2:38 PM
117	Grundahl-move bathrooms, excavate and fill area to accommodate nice youth football facility at bottom of hill. Bleachers on the hill.	1/20/2023 2:36 PM
118	Splash pad	1/20/2023 2:31 PM
119	A splash pad	1/20/2023 2:21 PM
120	Summer coffee/treat cart.	1/20/2023 2:18 PM
121	Seems like the southeast side of Grundahl was specifically laid out to host the Summer Frolic, which limits its use the remainder of the year. Perhaps the infrastructure could be rearranged to allow for additional amenities like a mountain bike pump track or some other outdoor feature.	1/20/2023 2:16 PM

Mount Horeb - Park Master Planning

122	More family events More movies in the park, maybe music/band for kids Other festivals besides Frolic & Brew Fest Farmers market! Would be a much better location at Grundahl instead of slowing traffic on Main Street. Art Fair and Fall Fest would be cool down there too!	1/20/2023 2:06 PM
123	Instead of using tents, the beer fest and Frolic bands could be moved there. Having a building may attract more events and tourists to MOHO. Wednesday night live could be moved indoors in case of inclement. A sturdy stage could be built inside for bands. The space could be utilized in the winter more.	1/20/2023 1:55 PM
124	Splash Pad	1/20/2023 1:39 PM
125	More spaces that teens could use (for example, basketball and volleyball courts)	1/20/2023 1:28 PM
126	Free Community events for all ages. Programs for New to Mount Horeb people to meet others	1/20/2023 1:21 PM
127	Pickle ball court	1/20/2023 1:21 PM
128	Space for a pool?	1/20/2023 1:19 PM
129	Splash pad, and a good one, not a 3 fountain tiny one just to suffice people. MH has a lot of families and we NEED more/better options.	1/20/2023 1:05 PM
130	No	1/20/2023 12:48 PM
131	Pickle ball, outdoor yoga and fitness classes, dog park	1/20/2023 12:47 PM
132	native habitat restoration	1/20/2023 12:45 PM
133	Possibly pickleball	1/20/2023 12:44 PM
134	Trash cans	1/20/2023 12:40 PM
135	Zip line	1/20/2023 12:37 PM
136	If space allowed a dog park would be a wonderful addition	1/20/2023 12:31 PM
137	Year-round restroom access	1/20/2023 12:31 PM
138	Could a space in this new building be rented out for grad party's or wedding reception party's dances? We don't have much closed place in m.h.b. for things like this.	1/20/2023 12:29 PM
139	No	1/20/2023 12:24 PM
140	No. Build the Rec Center Swimming pool.	1/20/2023 12:14 PM
141	volleyball	1/20/2023 12:07 PM
142	Bocce courts	1/20/2023 11:53 AM
143	Disc golf, pool, natural areas for play, rain gardens, European style adventure parks for kids), like downed trees to play on), prairie restoration, water features (natural), art	1/20/2023 11:50 AM
144	I want to see pickle ball offer in one of these parks for the community to enjoy. Currently, residents have to travel to other towns to use their courts and programs for pickle ball because Mt Horeb has nothing to offer for this activity.	1/20/2023 11:50 AM
145	Disc golf	1/20/2023 11:46 AM
146	I do love that the local community takes care of the flowers - we have amazing trees and they do a great job adding some color to the community.	1/20/2023 11:39 AM
147	I would like to see dedicated pickleball courts offered at either of these parks. Although there is a plan for Viking Park to be resurfaced and restructured to include pickleball courts, there are no bathroom facilities and this space is shared by the Mount Horeb Area School District. This limits availability of these courts. PLEASE consider adding dedicated pickleball courts to either Grandma Foster or Grundahl Park.	1/20/2023 11:06 AM
148	no	1/20/2023 10:51 AM
149	Pickleball	1/20/2023 10:47 AM
150	A splash pad would be amazing!!	1/20/2023 10:45 AM

Mount Horeb - Park Master Planning

151	A gathering place for all folks young & old to stop in, go for a walk around the park, let children play. Bring back some outdoor activities for all generations to enjoy.	1/20/2023 10:45 AM
152	No opinion	1/20/2023 10:40 AM
153	Having Military Ridge Trail running through the heart be of the Village is a huge asset that should be more effectively developed and marketed. The Village personnel who service the restrooms at the downtown train depot and Waltz park do an excellent job! Thank you.	1/20/2023 10:31 AM
154	Splash pad	1/20/2023 10:29 AM
155	Disc Golf	1/20/2023 10:27 AM
156	SPLASH PADS WOULD BE AWESOME!!!!	1/20/2023 10:22 AM
157	Would love more one-day kid's programming options (I've seen classes in the Grundahl shelter before, and am bad at committing to longer rec course offerings)	1/20/2023 10:15 AM
158	Pickleball courts in My Horeb are needed.	1/20/2023 10:14 AM
159	I think it would be beneficial to have a splash pad at one of the parks in town	1/20/2023 10:03 AM
160	No	1/20/2023 10:03 AM
161	Pickleball	1/20/2023 9:59 AM
162	Not beyond material in previous answers	1/20/2023 9:57 AM
163	Indoor pool!	1/20/2023 9:56 AM
164	Dedicated Pickleball Courts would be great	1/20/2023 9:45 AM
165	something safer for WNL performers when inclement weather	1/20/2023 9:39 AM
166	Pickle ball	1/20/2023 9:19 AM
167	A big band shell at Grundahl would be nice.	1/20/2023 8:30 AM
168	Dog park area even if small	1/20/2023 8:16 AM
169	Splash pad	1/20/2023 7:48 AM
170	Indoor ice rink Pickle ball for kids	1/20/2023 7:41 AM
171	Splash pad and bball courts	1/20/2023 7:28 AM
172	Love the music programs	1/20/2023 7:21 AM
173	Building for use for youth sports. Currently drive elsewhere for use over the winter for baseball/softball in the off season.	1/20/2023 7:12 AM
174	More live music, smaller-scale community events, more bike tune-ups, fitness programming	1/18/2023 3:36 PM

Q24 Please use this space to provide any other comments relating to the parks in question.

Answered: 115 Skipped: 628

#	RESPONSES	DATE
1	Thank you for your consideration	2/10/2023 3:20 PM
2	I took my daughter to a park while on vacation. It was huge and had equipment making it accessible to the handicap. It is an all-inclusive playground and is a playground dream for all kids. A playground like this would help our own community include every child and also draw so many kids and families into our town. Thank you for the opportunity.	2/9/2023 9:14 PM
3	Outside of updating the playground equipment, please leave Grandma Foster Park the way it is. Grandma Foster donated the land to the village as she loved to watch children play while she was at home. Where would you put restrooms at Grandma Foster without acquiring additional property next to it. If you are looking for a park to tie into the Military Ridge Trail, look at Waltz Park. It is right next to the trail. Users of the trail currently use the restrooms provided at the trail restroom facility downtown, or go to the businesses or Village Hall. Isn't that what you want, people stopping at businesses when they use the trail. As for the multi-purpose building, if you build something you better establish a maintenance fund to maintain that building. It's great to build new facilities, but it results in the need to maintain them. Thanks for your time.	2/9/2023 8:29 PM
4	Thank you for providing this survey.	2/9/2023 12:53 PM
5	I don't have any suggestions but both parks seem lacking in their potential .	2/7/2023 5:04 PM
6	There are many parks in the community, not sure why these two received all the focus. If it's necessary to add amenities, obviously there are many factors to consider. Additionally, there is a significant desire to have a dog park, yet it seems that pickle ball courts will get the coveted space. Can't make everyone happy, unfortunately and understandably. Baseball fields are needed. Indoor swimming pool. List goes on!	2/6/2023 9:00 PM
7	I know this is a survey about Foster/Grundahl but PLEASE take action to secure the currently vacant Buechner lot (adjacent to MHTC downtown) for a pocket park. Add shade, a path, a few benches and some landscaping for an instant attraction. Food trucks, small concerts, toddler games, and more. Spring Green & Sauk City have lovely samples that get a lot of use and beautify their downtowns.	2/5/2023 3:38 PM
8	The indoor shelter is nice at the frolic for being able to buy food there etc and using it for parties etc but there are not near enough picnic tables outside during those times nor are there enough benches for people to sit on during the frolic	2/4/2023 3:31 PM
9	I think Mt. Horeb does a great job with their parks!	2/4/2023 8:09 AM
10	Off topic, but the play structure on Himsel park could use an update.	2/3/2023 9:24 PM
11	I'd like to see the giant basswood along the path at Grundahl Park preserved in whatever "redesign" or master plan. That tree is the heart of this park and it would be a shame for it to be damaged or removed.	2/3/2023 7:32 PM
12	Pickle ball courts at Grundahl would be great	2/3/2023 6:34 PM
13	Super cute parks and happy to see they're getting some attention.	2/3/2023 3:34 PM
14	Summer Frolic needs total make over. Same old tired drunk fest. Also no need for indoor pool on Eastside. Current pool waste of money and under used. Shocking to see a business area being considered for an indoor pool and enclosed activity building. Would have plenty of room at Sunrise Park and keep that tract in consideration on the tax roll.	2/3/2023 3:07 PM
15	May be nice for senior citizens to have a Bocce Ball or Shuffleboard court at Grundahl Park. The Baby Boomer group is the largest sector of our (USA) population and will continue to be so	2/3/2023 11:13 AM

Mount Horeb - Park Master Planning

for years. Including this group is recreation considerations can be a way to retain their interest in living in Mount Horeb.

16	Would like to see the year round facility in the space that is currently the lower shelter. Utilities are already there. Most logical location I would think.	2/3/2023 10:37 AM
17	put a building up at grendahl just like the one at Harris park in dodgeville. it is ice rink in the winter and event place in summer!	2/2/2023 12:39 PM
18	Please put in a dog park	2/1/2023 4:07 PM
19	These open spaces should be protected and enhanced and not built upon.	1/31/2023 8:05 PM
20	Thank you for keeping Grmdma Foster's a neighborhood park.	1/31/2023 3:19 PM
21	Thanks for providing this survey !	1/31/2023 2:12 PM
22	Keep the vision of the land donators in mind.	1/30/2023 7:49 PM
23	na	1/30/2023 7:06 PM
24	I am concerned that we will struggle to fit the needs of the rec department and other clubs if we lose the open field space at Grundahl, especially given the limited amount of space available in the village.	1/29/2023 9:43 PM
25	All Mt Horeb Parks and other Village properties should be planting native trees, shrubs, forbs and grasses. Pollinator habitat is so very important and so easy to do.	1/28/2023 11:33 AM
26	Grandma Foster would be very happy with how Mt Horeb has kept her property a free space. Her tire swing was never empty.	1/28/2023 7:36 AM
27	It gets really hot listening to the concerts in the sun. Therefore, it would be nice to have additional shade trees added to Grundahl Park.	1/26/2023 9:48 AM
28	I have raised four children in MH, visited all parks many times a week, never had any desire or reason to go to grandma foster park. Bad location, too small, not good playground. Would be much better used for something else in the community.	1/25/2023 5:22 PM
29	We need pickle ball courts	1/25/2023 5:16 PM
30	Need to expand Grandma Foster park to use as a public square on Main Street.	1/25/2023 9:55 AM
31	Thank you for offering this survey.	1/25/2023 8:53 AM
32	I think both Grandma Foster Park and Grundahl Park could use upgrades, but I don't think a major retooling is necessary, and, in the case of Grandma Foster Park, I don't think losing a park/green space for people to play, exercise, have fun, etc is worth it in the long term regardless of what could be done with that property through possible re-zoning or changing the space away from its intended use.	1/24/2023 6:09 PM
33	If the toilets are closed for the winter, it would be nice to have a port a potty available.	1/24/2023 11:26 AM
34	There are parks throughout the village that I doubt are frequently used, if at all. Focus on them. Changing Grandma Foster park would be against the spirit of why the property was donated in the first place. You don't have to change EVERYTHING in the village.	1/24/2023 6:48 AM
35	If the long-range plan is to expand downtown / apartment living, the need for green space at Grandma Foster Park becomes more important for potential young families.	1/23/2023 9:44 PM
36	Glad we are looking to improve our outdoor areas! Thanks!	1/23/2023 9:36 PM
37	None	1/23/2023 3:26 PM
38	Need to be kept up nicely to look inviting and safe.	1/23/2023 1:26 PM
39	The parks in town are great, I use all of them at least once a year, some way more than others. Grundahl is heavily used by unsupervised groups of kids that make me uncomfortable though. I also wish a better effort was made to get the ice skating rink up in the winter months. Could this fall onto volunteers to help?	1/23/2023 12:30 PM
40	We love moho!	1/23/2023 10:40 AM

Mount Horeb - Park Master Planning

41	Village in great need of more athletic fields. Kids of all ages participating in outdoor athletics is a very good thing!	1/23/2023 8:38 AM
42	Maybe get rid of the frolic all together it's overpriced, loud, and really makes the park look gross afterward	1/22/2023 11:24 PM
43	We live approximately 1/3 mile from Grundhal Park. We utilize it nearly daily. We also utilize the Military Ridge trail often. We have never had an issue moving from the park to the trail. The park is nice, but dated when compared to Sunrise park.	1/22/2023 8:30 PM
44	No	1/22/2023 8:03 PM
45	Love Grundahl Park!!!	1/22/2023 5:23 PM
46	Would like to see better playground equipment. We live about a block from Grundahl Park, yet frequently drive to Sunrise due to the better play equipment. You also don't mention how big the 4-season building would be, nor what current amenity it will replace (even if just open space). I like the idea of it, but without further information, I don't feel like I can offer an opinion.	1/22/2023 3:30 PM
47	I think there should be a park where the train station is on the military ridge. It's a nice space that is under utilized.	1/22/2023 10:59 AM
48	Mount Horeb is in dire need of indoor facilities, but not summer frolic. We need to be able to provide our kids the minimum opportunities that kids closer to Madison have. An indoor pool, indoor baseball and expanded basement all space. If in that plan we can benefit adult groups that's great, but it should not be the primary focus. Grundahl has worked as a great outdoor space for our community and I think we should retain that while looking to expand our rec space and adding indoor facilities to a new park area.	1/21/2023 7:26 PM
49	We love Grhundahl park! We like the merry go round but miss the teeter totter. We used to live right next to the park and found it very inconsiderate that the frolic music was so loud so late. We actually got a hotel room so we could sleep.	1/21/2023 3:42 PM
50	Get some sidewalks to these parks! Grandmas ok ,Grun. Needs sidewalks!	1/21/2023 12:36 PM
51	Please maintain the lovely parks that we currently have in the village. During such a difficult time for our families, please do your best to keep taxes manageable for your people. Maintenance is needed, of course, but please add nothing new at this time.	1/21/2023 11:35 AM
52	Exceptional parks and recreation are key to a strong community—we support improvements and the tax \$\$ associated	1/21/2023 11:33 AM
53	Thanks for taking the time to see what the community would want	1/21/2023 10:09 AM
54	Grandma fosters should be used for something different, like a performing space or splash pad. Grundahl needs better, cleaner and bigger restrooms or extra ones in different spots.	1/21/2023 10:09 AM
55	A group has offered land to Mount Horeb by Sunrise Park. Really would add all the amenities that MH needs. Would only make Sunrise better.	1/21/2023 9:29 AM
56	Mount Horeb has a lot of great parks to pick from!	1/21/2023 9:14 AM
57	nice if investment in baseball / softball field, covered dugout, batting cage outside would be nice as well	1/21/2023 8:53 AM
58	Indoor/ outdoors facilities for sports, including pickleball would be amazing and a huge draw	1/21/2023 8:48 AM
59	None	1/21/2023 7:53 AM
60	It would be nice to have rubber or another substrate other than mulch at the Grundahl playground. The playground equipment needs to be updated.	1/21/2023 7:17 AM
61	I appreciate that you are constantly growing ideas, improving our favorite spaces for all ages to enjoy	1/21/2023 6:43 AM
62	Mount Horeb is a wonderful community. Every other community we travel to for a sport (you pick) has put money into that venue. It's time we do the same. We need to be the community others look at and say wow, they've made significant changes for the better. I understand these things are not cheap and are not easy to plan. However the kids and this community deserve it	1/21/2023 6:13 AM

Mount Horeb - Park Master Planning

63	Grundahl needs a new bathroom asap.	1/20/2023 9:21 PM
64	would love a splash pad	1/20/2023 8:08 PM
65	Many of the memorial trees seem to be nearing the end of their lives. It would be great to get more natural plantings for environmental stewardship. Acres of turf grass is an environmental disaster.	1/20/2023 7:55 PM
66	I do believe that Grundahl should also have an age appropriate play area for children ages 1 Year to 3 years.	1/20/2023 7:45 PM
67	Glad to participate in the process.	1/20/2023 7:42 PM
68	Grandma Fosters park is so small and unaccessible— perhaps this park would be best to be converted to a niche market park or a specialty park— for example, put pickleball courts here and remove from the middle school. Or put volleyball courts. There is too much tree coverage to provide a garden space. This park is too close to ID to have young kids playing here.	1/20/2023 7:05 PM
69	Good job maintaining these park.	1/20/2023 5:28 PM
70	Thank you !	1/20/2023 5:13 PM
71	Would like to see the stage for Wednesday Night Live improved with a covering. Natural amphitheater undisturbed!	1/20/2023 5:07 PM
72	I would not like to see this park get overly done. It's nice to have space and greenery.	1/20/2023 4:49 PM
73	The restrooms need a major overhaul with possibly a second restrooms facility at the top of the hill for summer concerts, etc.	1/20/2023 4:47 PM
74	Building a 4 season facility should be well thought out regarding requirement and space need. Building something into an existing space at Grundahl limits the building size and takes away from the existing green space. I don't think Grundahl is quite the right fit. Plans would help visualize it.	1/20/2023 4:11 PM
75	Thank you for your consideration and time dedicated to these potential projects	1/20/2023 3:54 PM
76	I hope that any changes made at Grundahl park do not increase the number of loud live music events. This would potentially impact our quality of life not to mention our property values.	1/20/2023 3:46 PM
77	Need a truly open and well known quality basketball court. Neighboring communities all have at least one. Even smaller communities!	1/20/2023 3:13 PM
78	Mount Horeb can use a dog park	1/20/2023 3:03 PM
79	An renovated practice field for soccer. Currently utilizing the space behind the restroom is okay but definitely could be improved due to the growth of the program.	1/20/2023 2:45 PM
80	Grundahl is a treasure. We don't need to mess with it too much. I always thought Sunrise was the right place for a splash pad. Grandma Foster's could be a really hip place to relax after shopping.	1/20/2023 2:20 PM
81	The reason I think there is no need for additional indoor space is because it is my understanding that the current primary center will be converted into usable community space. Also I would prefer that money be put towards the outdoor community pool that badly needs renovation. It should not have stairs separating toddler pool from large pool and it needs additional play equipment or splash pad for use during safety breaks.	1/20/2023 1:49 PM
82	Are we ever getting a dog park?!?	1/20/2023 1:36 PM
83	Make sure they are easily accessible with sidewalks to and from the path	1/20/2023 1:29 PM
84	Only comment would be to have play equipment for multiple ages. The play structure now seems to be geared towards older children.	1/20/2023 1:24 PM
85	A dog park would be nice.	1/20/2023 1:23 PM
86	We have several great parks in the village and together they seem to handle the needs of the community. We are in no need of additional parks or major overhauls. A little TLC with some and ongoing regular general maintenance will go a long way in keeping them clean and safe for all to use.	1/20/2023 1:22 PM

Mount Horeb - Park Master Planning

87	I don't know what your thinking is or plan is to improve these parks, but would like an indoor facility near the sunrise park	1/20/2023 1:18 PM
88	As a grandparent utilizing the parks in town, I would like upgrades and additions to be a priority for our families here. Also consider water availability at all locations and possibly a way to contact help if needed, some type of alarm. Pickleball, PLEASE add Pickleball so many people are enjoying this sport and it helps our community stay engaged and healthy!!!! Thank you!!	1/20/2023 1:07 PM
89	No more basketball courts	1/20/2023 12:45 PM
90	Gramma Foster Park is a nice nature respite on Main Street, but it does need some work and refreshing. There's a lot of potential!	1/20/2023 12:43 PM
91	I think the baseball field needs some real improvements. Better scoreboard, dugouts	1/20/2023 12:30 PM
92	Our parks are fabulous outdoor spaces as is! Sadly we've already lost the skating rink at Grundahl that many of us grew up with. Please don't ruin Grundahl Park any further by adding buildings to the park!	1/20/2023 12:25 PM
93	This survey feels like a diversion to many citizens showing up and asking the Village for the indoor swimming pool and additional amenities. This town does not serve its youth well outside of school-based activities, nor does it support its senior citizens. None of the upgrades to the two parks would fully benefit these two demographics to the point that it would support further tax burdens on the community.	1/20/2023 12:17 PM
94	Both Grundahl Park and Grandma Foster Park are not being used to their fullest potential. The space at these parks need to be transformed into something the village residents actually use and benefit from. A splash pad at Grandma Foster would be best and pickle ball courts at Grundahl are a necessity.	1/20/2023 11:52 AM
95	Thank you! Separate from these parks, more mini-parks are highly desirable. They can be very small with minimal amenities, low cost to maintain, and create great spaces for families to picnic, kids to play yard games, etc.	1/20/2023 11:51 AM
96	n/a	1/20/2023 11:31 AM
97	When asking my grown children, raised in Mount Horeb, about Grandma Foster park, the quick reply was "What? Where is that park?" This park needs a complete overall as it has not been a practical nor useful park space for my family's 24 year tenure in the village. Grundahl Park is a beloved, favorite village park. Yet, as residents who walk through it almost daily, it has many spaces that are underutilized. The uppermost quadrant has a few awkward walking paths that lead to nowhere, the hill is space wasted and the lower 'arborvitae' space is only used by little kickers and flag football several weeks out of the year. The parks & recreation department need to reconfigure this park to get the maximum use out of these spaces. And, of course, I believe pickleball courts in current 'arborvitae' space would be the best use of this space and a beneficial draw for the village as a whole.	1/20/2023 11:17 AM
98	As a family with young kids, we have loved using Grandma Foster park. It's one of the few parks in town that is completely accessible to toddler aged children. The other parks with larger equipment are great for older kids, but don't allow our toddlers to be independent and it's frustrating for them. If there's a re-design in equipment at either/both of the parks in the survey, please consider including including equipment that is accessible to younger children.	1/20/2023 10:46 AM
99	Add this planning somewhere else, not just the MH Mail due to many don't subscribe.	1/20/2023 10:46 AM
100	Prior to this we've talked about how great a splash pad would be for the area. All play equipment feels and looks outdated and has so much more potential.	1/20/2023 10:42 AM
101	Grundahl Park is not that big in usable land area. You need the ball Diamond, the shelter , the basketball court, space for frolic activities, and Pickleball would be a plus.	1/20/2023 10:31 AM
102	Would be nice if the enclosed shelter areas had a better view of the playgrounds so we could keep a good eye on our children playing there without having to actually leave the event to supervise.	1/20/2023 10:28 AM
103	Pickleball needs to be in Mt. Horeb somewhere and relatively soon.	1/20/2023 10:24 AM
104	The big tree in the middle of Grundahl is my favorite shady picnic spot in summer. :)	1/20/2023 10:16 AM

Mount Horeb - Park Master Planning

105	Pickleball	1/20/2023 9:59 AM
106	Excited for the future!	1/20/2023 9:58 AM
107	We are being left miles in the dust with no splash pad or indoor pool.	1/20/2023 9:57 AM
108	n/a	1/20/2023 9:57 AM
109	Village should partner with organizations and clubs to help pay for improvements if they want to use them. Village should look comprehensively at increasing advertising options, including naming rights and limited term sponsorships	1/20/2023 9:41 AM
110	I'm really bummed to not see any needs for waltz park. My husband and I have grown up in this town and recently moved back with our two young kids. We frequently go to parks and Waltz is closest to us. There are SO many young families in the waltz park neighborhood and that park is SEVERLY lacking. I don't think it's changed in the 30 years I've been around and grown up here. Can we PLEASE see some needs to updating that park?? I would be willing to assist with fundraising as well.	1/20/2023 9:38 AM
111	Exciting to think of possible improvements! Thank you for the opportunity to provide input & for your efforts to make this a wonderful place to live for all ages.	1/20/2023 9:18 AM
112	If parks are updated, keeping wheelchair accessibility in mind to access the fields, buildings etc	1/20/2023 7:57 AM
113	I understand the desire to keep Up with neighboring communities, but until we are selling out our existing events, adding space for the minority of vocal residents who already have the means to access indoor skating or whatever their needs are at the expense of others with less access and less income is not a direction we approve of	1/20/2023 7:24 AM
114	Again, no pickleball	1/20/2023 7:19 AM
115	It's hard to know if Grundahl Park is the best location for pickleball – the Springdale Meylor land might be a better fit.	1/18/2023 3:37 PM

Q25 If you are interested in future involvement in the planning, please enter your contact information below and you will be added to the project mailing list.

MEETING NOTES

GRANDMA FOSTER & GRUNDAHL PARK MASTER PLANS

Mount Horeb, WI - MSA #: 00385009

February 14th, 2023, 6:30-7:30 pm

Meeting Purpose:

Review Public Survey, Engage Stakeholders, Gauge Interest + Need for Potential Amenities

Review Items

1. People/Entities

- a. Project Leadership
 - i. Village
 - 1. Jeff Gorman – Public Services Director
 - ii. MSA
 - 1. Dan Schmitt – LA/Project Manager
 - 2. Emma Wenman – Landscape Designer
- b. Stakeholders/Partners/Jurisdictional
 - i. See sign-in sheet
 - ii. Village Departments
 - iii. Summer Frolic Committee (*made up of nine community organizations*)
 - iv. Pickleball

2. Public Survey Results

- a. Overview
 - i. Survey results shared with stakeholder groups

3. Engagement

- a. Questions: **GRUNDHAL PARK**
 - i. Is there anything (amenity, improvement) that stands out to you as needed at Grundahl Park?
 - 1. Basketball courts – at least 1-2 full high school size, would donate money, court access is limited in MH. Ex. see Dodgeville, Harris Park
 - 2. Revise/expand restroom, especially for Wednesday night live
 - 3. New announcer/storage building with more storage
 - 4. Pickleball - @old volleyball area?
 - a. Conflict with rec and field space programming
 - b. Maybe multi-sport court combination with basketball courts
 - c. Wind is a major issue/concern
 - d. 6 courts are being redone summer '23 (at other park space)
 - 5. Pump track? (see Aldo Leopold example)
 - a. Mountain bike club currently uses 200' surface of bike trail near Waltz park as a practice space
 - b. Natural surface path/track through park (and behind baseball outfield)

1230 South Boulevard
Baraboo, WI 53913

P (608) 356-2771
TF (800) 362-4505
F (608) 356-2770

www.msa-ps.com

- c. Baseball
 - i. New scoreboard, batting cages (by field? In multi-use building)
 - ii. Slope off Bluemounds Street used as natural seating amphitheater
 - iii. Drainage of baseball field is bad, but not much can be done w/o full regrading project
 - 6. Lighting updates throughout entire park
- ii. What is your view on accessibility in the park, do you foresee issues if certain elements aren't addressed?
- iii. What is your opinion on building a larger multi-use event, sporting and performance facility for year-round use?
 - 1. Indoor facility would be able to be used by all the represented groups –
 - a. Pickleball, baseball/softball (batting cages), basketball, rec programming
 - b. Also for events – with kitchen and bathrooms
 - i. Rainy WNL, Frolic, Private parties
 - 2. Location south of the parking lot? Where existing restrooms are? (#3, #8, #9 on ex. conditions map)
 - 3. Open-air garage doors to open up the whole space, indoor/outdoor experience
 - 4. Ask _____ about stone depth
 - 5. Village setbacks
 - 6. Parking close to new building (for ADA and easy access)
- iv. How can we address a connection to the Military Ridge Bike Trail?
- v. Would Grundahl benefit from an improvement on the existing community stage? A new outdoor performance area?
- vi. Other
 - 1. Look at octagon shelter – how much structural life is left? Do we retrofit, or replace/get rid of it
 - 2. Permanent fence along south end of park between private residences and park (used for frolic/beer tent)
 - a. Utility easement exists there
 - 3. Co-op/tractor pad as place for carnival homes?
 - 4. Area for grills?
 - 5. Remove ex bathroom building, create more field/court space, introduce large multi-use building

b. Questions: **GRANDMA FOSTER PARK**

- i. Is there anything (amenity, improvement) that stands out to you as needed at Grandma Foster Park?
 - 1. Tree lighting occurs here, still will hold this event at Grandma Foster park
 - 2. Public restrooms for the park and downtown area, next closest are at the train depot along the bike trail
 - a. Could be a nice portable restroom, see Verona dog park

3. Possible performance space – current shelter is OK, but will need replacement in next 2-5 years
4. If not play equipment, other form of interactive/sensory play features tying into a public plaza
- ii. What are your opinions on Grandma Foster Park being used as a plaza/gateway to the downtown, maintain as playground or both?
 1. Is a splash/spray pad of interest?
 2. Will the space benefit any downtown events, i.e. could you see programming in this space related to downtown events?
 - a. Currently disconnected from downtown, but if there were something to draw people there or shifting events towards the park/having a performance space could benefit the space.
 - i. There is a demand for downtown performance space (during activities they set up temporary stages/performance space)
 - b. The old firehouse parking lot could be a tie-in point
 - i. New development slated for 2024 in this space (with some public parking space – public easement in development agreement)
 - ii. Could necessitate additional amenities in this space, activating the park
 - c. EV charging station – prompts people to visit DT businesses and spend money while charging
- iii. Are there design elements that would tie the park into the downtown? i.e. visual elements
 1. Anything Norwegian, a troll
 2. Themed design – DT currently has benches
 3. Interactive art, generational play
- iv. How can we address a connection to the Military Ridge Bike Trail?
 1. Signage along route to direct people to and from the trail, downtown and park space
 2. A trail/sidewalk easement to have a safe pedestrian connection?
 3. Expansion of park with acquisition would provide more useable space and potential amenities
- v. Other

4. Project Schedule

- a. Schedule
 - i. Phase I: January – February 2023
 1. Inventory and Analysis
 - a. Online Survey
 - b. Focus Groups [we are here]
 - ii. Phase II: March – April 2023

1. Concept Development
2. Public Engagement - Open House
 - a. Yet to determine event/setting for public meeting
- iii. Phase III: May – July 2023
 1. Final Master Plan and Report
 2. Adoption

NOTES

To: Village of Mount Horeb
From: Daniel Schmitt, PLA; Emma Wenman
Subject: June 12th Meeting Notes
Date: June 16th, 2023

GENERAL:

- Double check that cost ranges are on website (they are with the old concepts from Commission meeting April 25th)
- Updated concepts are on Storymap:
<https://storymaps.arcgis.com/stories/3d4df32eebc74fcfa7326e3fe40308cb>
 - o I didn't see a link to the Storymap on the Village Website – can you confirm it is there somewhere?

GRANDMA FOSTER PARK:

- How much usage does the park get? Is it worth putting in these resources...
- Dedication of the park and for respect for the family would be to keep this a park space for the foreseeable future. It is the ONLY park space directly connected to downtown
- Range of cost notes difference: from porta-potty to full restrooms, differences in play structures, fit and finish of materials used
- Suggestion to include local artisans in building of a play structure?? Village supplies materials, artists supply labor, make sure it's up to code
- Views to properties on the south end of the park – was this considered ?
 - o Landscaping provides an initial buffer, if land to the south were to become available it could benefit the park whether it be an expansion, parking, business, or residences
- Planned/Proposed future residential developments in this corridor will justify need for this park – potential for more families in the area

GRUNDAHL PARK:

- A lot of people walk the upper loop during the day
- Maintain the sledding (Note: put on plan)
- WNL Comments:
 - o Like the existing spot because of the natural amphitheater
 - o Performers and attendees don't have to look into the sun as it's setting
 - o Senior Center parks bus on the path for concerts
 - o Strong Opposition to Option 2 location
 - o The space isn't affected in any of the concepts – so it doesn't have to move

- Confusion on use of multi-purpose building. Clarification – this is a master plan level, we are displaying a footprint of a building that could hold 2 indoor basketball courts. It could hold indoor winter sports, community events, and then also be available for the frolic weekend
- Taking into consideration the basketball and pickleball courts around the village – do we really need ALL these here at Grundahl as well? (Note: CORP in 2025, will take inventory and help gauge community need)
 - o Neighbor: The basketball court is always busy
 - o Pickleball courts by the school are unavailable during the day for 2-4 months of the warm season due to school activities
 - o Batting cages – why are the ones at the HS not enough? Who’s paying maintenance fees?
 - o Splash pad – why don’t we consider this at the pool facility?
 - It is good to spread out those unique play opportunities around the community for equitable access.

COMMENT FORM SUMMARY:

MSA received three (3) feedback forms to-date, two (2) from the meeting, one (1) was brought to Village Hall. Attendees were asked their opinion on the park concepts and which Grundahl Park concept they preferred.

Form #1:

Grandma Foster Park: Addition of restrooms is good, like the entrance stairs

Grundahl Park: Preference for Concept #2. Comments: keeps octagonal shelter, adds pickleball, adds multi-use building. Also liked concepts #1 and #3 since they kept more trees. Notes on no need for more basketball courts.

Form #2:

General: As long as updates don’t affect taxes, this individual can support improvements. Otherwise, improve what is existing in the parks.

Form #3:

Grandma Foster Park: Hard time supporting big expense in this park unless cost is supported by use of the park. Unique play structure could help, bathrooms would be great if deemed necessary/cost effective. Don’t use port-a-potties.

Grundahl Park: No concept preference indicated. Comments: Don’t move WNL stage, no event center unless the groups using it are supporting the funding and maintenance. Improve the warming shelter/restroom/kitchens, playground, octagonal shelter, basketball court that are there, if needed. Don’t need batting cages or pickleball courts (unless school doesn’t allow play in spring and fall).

PUBLIC INFORMATION MEETING COMMENT FORM

GRANDMA FOSTER Concept Comments. Please use this space to describe any comments you have on the recommended improvements at Grandma Foster Park.

Addition of restrooms is good.. The entry stairs are a nice touch.

GRUNDAHL PARK Concept #1 Comments. Please use this space to describe any comments you have on Concept #1 for Grundahl Park.

Keeps most trees. Pickleball courts benefit from shade & partial windscreen.

GRUNDAHL PARK Concept #2 Comments. Please use this space to describe any comments you have on Concept #2 for Grundahl Park.

Basketball court unnecessary - there are basketball courts everywhere

GRUNDAHL PARK Concept #3 Comments. Please use this space to describe any comments you have on Concept #3 for Grundahl Park.

Keeps trees.

PREFERENCE Comments. Please list your favorite Grundahl Park Concept # and write (at least) two reasons why you prefer it:

Preferred Grundahl Park Concept: #2

1. Keeps the octagonal shelter
2. Adds pickleball courts
3. Adds multiuse building
4. _____

GENERAL Comments. Please use this space to describe any general comments you have on future improvements to either Grandma Foster or Grundahl Parks.

No more basketball courts, they are all over the village. Double the number of pickleball courts. The courts at Viking Park (Middle School) will be unavailable to adults during school hours for 2-4 months of the year.

Your Name (Please Print): LINDA FARISS

Representing (if other than yourself, e.g. Business Name): _____

Contact Info (phone or email address): lcfariss@gmail.com

2nd choice is #3 - keeps more trees.

We appreciate your comments. Please leave them with us

today. Thank you!

1. loses Octo shelter
but other wise
fewest alterations

2. Preserves Octoshelter
loses cedars for
large bluff

3. Loses Octoshelter
adds large bluff
keeps some cedars

PREFERENCE Comments. Please list your favorite Grundahl Park Concept # and write (at least) two reasons why you prefer it:

Preferred Grundahl Park Concept: _____

1. _____
2. _____
3. _____
4. _____

GENERAL Comments. Please use this space to describe any general comments you have on future improvements to either Grandma Foster or Grundahl Parks.

Q AS LONG AS THESE UP GRADES DO NOT IMPACT
MY TAXES, I CAN SUPPORT THIS.
OR ~~UP~~ UPGRADE ~~TO~~ THE EXISTING STRUCTURES AND DO NOT
ADD ANYTHING NEW.

PUBLIC INFORMATION MEETING COMMENT FORM

GRANDMA FOSTER Concept Comments. Please use this space to describe any comments you have on the recommended improvements at Grandma Foster Park.

I have a hard time supporting a big expense on this park due to the little amount of usage. Would it get used more if improved, sure, enough to warrant the cost, probably not, but maybe. A really unique play structure, like MSA recommended, would be helpful. Bathrooms would be great, but it isn't far to the depot bathrooms and due to the cost might not be feasible. Don't use port-a-potties, unless absolutely necessary.

GRUNDAHL PARK Concept #1 Comments. Please use this space to describe any comments you have on Concept #1 for Grundahl Park.

Could not find the 3 options online to refresh my memory. It says something about "sorry - no web page found" & I'm looking under the park improvement survey. Might be because feedback/survey is no longer valid - but I just want to see the 3 options! **HELP!**

Overall comments, I don't think you will get the community to spend top dollars on an already beautiful park. Don't move the

GRUNDAHL PARK Concept #2 Comments. Please use this space to describe any comments you have on Concept #2 for Grundahl Park.

WNL stage. It works there. The bathroom building needs to be redone & improved. Add a kitchen if needed, & make it 4-season if you want. Not an event center unless the groups using it agree to continue to raise money & pay for upkeep. (Youth basketball, and monies through rec. programs that are offered.) Don't build a building just for the Frolic - 1 weekend/year. **UNLESS** they agree

GRUNDAHL PARK Concept #3 Comments. Please use this space to describe any comments you have on Concept #3 for Grundahl Park.

to raise even more money, & then other parks & programs will not get needed funds from them, maybe, because they have to fund this building. The tent works where it is.

Don't need a batting cage there, sure it would be nice, not needed. Don't need 2 more pickleball courts **UNLESS** the school won't let us play on the middle school courts every spring & fall !!

Upgrade the basketball court & play structure, if needed, & Page 130 of 175 building.

PREFERENCE Comments. Please list your favorite Grundahl Park Concept # and write (at least) two reasons why you prefer it:

Preferred Grundahl Park Concept: _____

1. _____
2. _____
3. _____
4. _____

GENERAL Comments. Please use this space to describe any general comments you have on future improvements to either Grandma Foster or Grundahl Parks.

MSA did a great job of telling us all that could be done at these parks if money were not an issue. I get it. Wouldn't it be fun to implement all of their great ideas? So we look at everything & then go back & see what we can afford..... which might not be a whole lot. "I Feel sorry for you, Jeff, trying to please the taxpayers."

Grandma Foster Park and Grundahl Park Master Plans Project Memo Report

Provided For: The Village of Mount Horeb

From: MSA Professional Services, Inc.

Daniel Schmitt, PLA, Project Manager – Emma Wenman, Landscape Designer

Introduction

The Village of Mount Horeb is seeking master planning documents to assist in the redevelopment of two of its parks, Grandma Foster Park and Grundahl Park. are two parks that have unique histories and relationships to the Village and its residents due to their unique histories. Of particular importance is Grundahl Park, which is home to the annual Summer Frolic event each June. These parks offer a wide range of amenities to the community, including sports facilities, playgrounds, shelters, and event spaces. To ensure that these spaces remain safe and accessible to the community, the Village is planning to make improvements based on community feedback and create a guiding vision for unique and accessible Village parks. The park master plans will seek to meet the community's needs by enhancing existing amenities with new programming, accessible routes, and defining features.

Park Histories

The land that became Grandma Foster Park was land dedicated by 'Grandma Foster', to become "a place where older people could go and sit down to visit, and a place for children to play". Her family donated play equipment and furnishings to the park after initial dedication in 1970.

Grundahl Park was formerly the location of the Mount Horeb water treatment facility. The existing octagonal shelter sits on the original foundation of the treatment lagoon. The park itself was developed in phases over the course of the 1980s, with proceeds from the Summer Frolic Festival. Besides the Frolic, recreational programming, club sports, and a summer concert series (Wednesday Night Live), still utilize this park space.

Inventory and Analysis

Soils and Topography

Grandma Foster Park consists of one soil type, Edmund Silt Loam (2-6% slopes, eroded). This soil is known to be well-drained and sufficient for structures to be built. The grade change from Main Street to the southern end of the parcel is approximately seven (7) feet. With strategic design, this can allow for maintaining a grade separation from Main Street as a safety precaution and providing accessible paths into the park space.

Grundahl Park includes seven (7) different soil types which range from well to poorly drained. Edmund Silt Loam, Huntsville Silt Loam, Port Byron Silt Loam, Radford Silt Loam, and Sogn Silt Loam at varying slopes provide some challenges within the park space for structures and stormwater management. Depth to bedrock is another concern for any major structure or possibility of regrading. In general, western Dane County, including Mount Horeb, has greater than 70% of the area with bedrock within five feet of the surface. The topography of Grundahl Park will add to these challenges for park accessibility. Additional parking and pedestrian routes will be proposed to create an equitable park for all.

Wetlands

Grandma Foster Park has no indication of wetlands or hydric soils. Grundahl Park however, has wetland indicators that will need to be delineated prior to any major additions or construction within the park. There are also two (2) NRCS wet spots which are areas known for poor drainage due to soil type and topography, but too small to be specifically mapped.

October 4th, 2023

Full Inventory and Analysis Summary can be found in Appendix A.

Planning Process

Through the design development of these park spaces, MSA conducted a public survey and public meetings, to guide and gather public input on the design and programming of each park space. Discussions were also held with community stakeholders. Each park received feedback through these methods and programming was based largely on the public input with steering committee/Village direction and approval.

Public Survey

At the beginning of the project, a public survey was conducted to gather interest, input, and comments about the existing parks. The survey results helped to display what the community would like to see for the future of these spaces. The survey ran for a two-week period at the end of January 2023. It received 743 responses. Of the respondents, 31.8% of residents had never been to Grandma Foster Park and only 0.62% had never been to Grundahl Park.

At Grandma Foster Park community members indicated that they use the current space for the play equipment and benches the most, but the park space could use more amenities. The most popular responses to additional amenities included: a drinking fountain and/or water bottle filler, public restrooms, play equipment, splash/spray pad, and public plaza/event space. In addition to those items, more visibility to Downtown, wayfinding to the bike trail, and parking were common suggestions.

For Grundahl Park, the most-used facilities included: restrooms, parking, shelters, playground equipment, and a community stage. Proposed amenities that received the most interest were drinking fountains, restrooms, splash pad, site furnishings, event building and playground equipment. A specific question about a four-season programming multi-use space was probed to gauge public interest in a community-like center. Of 649 responses, 408 people (62%) voted, “Yes, I’d love to see a multi-purpose building” while only 154 (23.7%) voted against it.

Full Survey Results can be found in Appendix B.

Stakeholder Input

At a meeting in February, community stakeholders were gathered to discuss the park spaces, their programming and needs for each group. Representatives from the Summer Frolic Committee, Club and Youth Baseball, Basketball, Football, Softball, Mountain Biking, Pickleball, the Lion’s Club, and Knights of Columbus all attended the meeting. The outcomes of the meeting resulted in good discussion points with the Village on programming for both parks. MSA also met with the Chamber of Commerce to discuss Grandma Foster Park and the role it has in the downtown corridor.

At Grandma Foster Park, stakeholders would like to see restrooms, an interactive play feature for families with children, providing better visual access into the park and wayfinding to the downtown corridor and Military Ridge State Trail. It was noted that planned developments in this area, and the potential for more, will activate this park and justifies the need for improvements. There was a concern about parking availability if this park becomes a draw in the downtown corridor.

The Grundahl Park discussion dove into community programming and Frolic needs. A multi-use event building was emphasized as a desire by many at the meeting. People would also like to see more active recreation/sports space, updates to restrooms, more storage, updating the playground and lighting. Overall, the discussions on either park space somewhat aligned with the outcomes of the public survey.

Park Concepts

Through direction from the Village and public input, concepts were developed for Grandma Foster and Grundahl Parks. Quickly through discussions with Village staff, Grandma Foster Park was narrowed down to one concept, while Grundahl was presented as three (3) different concept layouts due to the complexity of the park space and consideration of a proposed multi-use event building.

Grandma Foster

The Grandma Foster Park concept acts as a gateway on the west end of Main Street into the Downtown corridor. A set of stairs invites people into a plaza that could host small events or performances. This provides an opportunity for the park to be included in programming by the Chamber of Commerce and Village events. The existing ADA parking stall is maintained, and plantings are revised along the north side of the park to create an aesthetically pleasing safety barrier. Further into the park, a shelter with restrooms and a play area is proposed. This will provide needed amenities for daily use or a small gathering i.e. birthday party or other celebration. Other site amenities and furnishings would include bike racks, benches, wayfinding features, and accessible routes.

Grundahl Park

The first concept for Grundahl Park is the only concept without a multi-use event building. It instead proposes a new restroom/shelter/warming shelter building in a centralized location, adjacent to parking, and paired with a basketball court that could be utilized as a hard surface for shelter events. The existing parking, baseball field, field space, community stage, and drive on the top of the hill are all improved but generally maintained. The baseball dugout area and concessions building are proposed to have improvements and supplemented with two (2) batting cages in the outfield. Improvements are shown to the existing playground, a splash pad, shelter, and restrooms are added to the play area. Two (2) pickleball courts are located down the hill. Additional angled parking is proposed in each concept along Parkway Drive near the existing community stage.

Concept 2 adds the multi-use event building in the southwest corner along with expanded parking to help support the need for the building. The baseball field and existing parking are maintained. Dugout area improvements, additional storage to the concession building and batting cages are all supplementing the baseball field use. The community stage is relocated to a central location with restrooms, closer to parking, and would double as a park shelter other times of the year. Pickleball courts (2) are proposed in the same location as concept one. The existing octagonal shelter is maintained and supports the playground and basketball court. The field space at the bottom of the hill would have to be relocated with this concept due to the multi-use event building.

In the final concept, the multi-use event building is proposed in a centralized location. Parking would be expanded as shown in Concept 2, yet field space would mostly be maintained at the bottom of the hill. Like the other concepts the baseball field and improvements would complement the use of the park for

baseball and softball events. The existing drive on the top of the hill is maintained, while the community stage is relocated down the hill near the playground, basketball (1) and pickleball courts (2). The angled parking is paired with an ADA accessible overlook for the Wednesday Night Live concert series.

Public Information Meeting

In June, a public meeting was held to gather public comments on the park concepts. Attendees were asked to provide written comment on feedback forms and engage in discussion with MSA designers. A presentation was given summarizing the public engagement and design process and to introduce each concept. Comments included people that were concerned about the need for such improvements into Grandma Foster Park, increase of taxes, and the actual need for every proposed sport facility and an event space at Grundahl Park. Overall, attendees were on board with improvements if it did not affect the character of the parks and cause a major increase in taxes to make the improvements. All received comment forms can be found in Appendix B.

Park Master Plans

Overall, the proposed master plan designs meet goals for the current and future needs of the Mount Horeb community. Providing amenities that are adaptable and accessible, while promoting the health and safety of the users, will make these parks destinations within the Village. Providing modern amenities in community and neighborhood parks, safety, flexibility of uses in amenities and accessible routes, will provide adaptability in the park spaces. A brief description of each master plan is included in this section.

The full plans along with character images of the proposed improvements, can be found in Appendix C.

Grandma Foster Park

The final plan for Grandma Foster Park represents the first concept presented to the public and Village staff throughout the process. The main difference is that this plan does not include a restroom, but instead an expansion of the open-air shelter. In conversation with the Village, a restroom could be added if this park space were to expand based on community need and land availability. This determination will come as new development is planned and built in the Downtown district.

This plan will meet the current and future needs of the community by providing space for play features, a shelter for gatherings, and small plaza for events. Wayfinding signs will be placed in coordination with the shelter to guide park visitors to nearby amenities, businesses, and the Military Ridge State Trail. The park will also have a drinking fountain, bike racks, ADA parking stall and benches for resting. Updates to the landscaping will provide a safety barrier from Main Street and visual barrier to the south. Removal of the declining trees and additions of new ones will make this space more visible from the east and west sides of Main Street and provide shade for the plaza area. The yearly lighting of the Christmas tree will still be held within this park space, and with these improvements, the park will be more accessible for more people to join the festive event.

Grundahl Park

Grundahl Park's master plan picks design, programming and amenities from each concept and combines them into one master plan. Within this plan the existing parking is maintained and expanded on to

create more access to the park space. These additions are made expanding off the existing parking lot, and along parkway drive by the community stage. Part of this parking will also help to serve the proposed multi-use facility. This facility's size is shown to hold two indoor basketball courts, but the use and amenities of this building would be determined after further development of the park and a building feasibility study. A feasibility study would consider the Village's needs for an indoor facility of this size and potential use/uses for the space based on existing facilities. The master plan also proposes improvements to the ball diamond and baseball facility upgrades. Additional storage and remodel of the existing concessions/announcement building, updated dugouts, batting cages, and drainage improvements will provide a better facility that can hold more practices and games.

Replacement of the existing 4-season shelter in a central location of the park will provide restrooms, open-air and closed shelter, and kitchen. This will become a great place for family or group gatherings within the park. Play elements are expanded upon in the park as well. Pickleball courts (2), basketball court (1) and new playground equipment will all be improvements which promote active play for people of all ages. Proposed pathways to each of these amenities will make sure the amenities are accessible for those with strollers or in wheelchairs throughout the park space. The existing octagonal shelter also remains within this plan. This shelter needs a structural assessment done to determine if refinishing/upkeep is warranted. If not, removal would be suggested once it reaches its useable lifespan. In one of the concepts, a splashpad was explored for this area. That could still be a viable option for the future of this shelter location. The community stage maintains its venue for Wednesday Night Live concerts and will be more accessible with the additional angled parking shown. Finally, if/when the multi-purpose building is built the current field space utilized by recreational sports and others would be relocated to the top of the hill or to other park spaces in the Village. The hill location would require regrading a portion of the hill for a flattened field space. In this case, a fence, plantings, or other form of barrier would need to be installed to prevent balls from rolling down the hill. Native plantings are suggested for the steepest slopes and tied together to create and separate spaces, while providing natural erosion control. Stormwater areas are added throughout the park to consider the need for drainage improvements as new facilities are installed.

Costs and Phasing

To fully realize improvements, each park plan will require a phased approach for implementation. Dividing up capital expenditures into reasonable groups, also allowing the Village to pursue outside funding opportunities including donors and grants.

Costs for each park space can be seen in the tables in Appendix C.

Grandma Foster Park

The plan for Grandma Foster Park was broken into three phases. First, the southern end of the park would be improved by replacing the existing shelter and playground with new play features and open-air shelter. Additional bike racks, pathways and utility updates would be completed in this phase. The second phase would include updating safety measures of the park space – including barrier plantings, wayfinding features and the ADA stall. The proposed plaza, grand entrance stairs more accessible pathways and benches are noted in the final phase. In conversation with the Village, this park has the potential to expand if it is deemed necessary through the planning and development of the downtown

district. In that case, restrooms, parking, and more park amenities would be considered for Grandma Foster Park.

Grundahl Park

The plan for Grundahl Park was split into four separate phases. The initial phase would be to update the playground equipment, basketball court, have a structural analysis done for the existing octagonal shelter, and phase one of field improvements. Phase One of the field improvements would include: addressing drainage on the field by introducing drain tile and minor regrading and updating and expanding on the existing concessions building for more storage.

Phase Two of the park would finish the baseball improvements and introduce additional parking and accessible routes. Baseball improvements for this phase would include dugout drainage and updates, as well as new pavement and stormwater area, and batting cages.

Phase Three at Grundahl Park would introduce updates to the existing community stage, existing octagonal shelter, and a new shelter/restroom/kitchen facility. This phase would also complete the pickleball courts.

The final phase is the implementation of the multi-purpose building and relocation of field space. This addition to the park would provide indoor space for recreation and events during rainy weather, it would also be a resource for the summer frolic to use as they need. The extent of the facility's amenities would be further explored through a feasibility study. The field space is regularly used for recreational programming, relocating this to the top of the hill would require some additional work, but is one of the only other areas for this field space to be maintained within Grundahl Park.

Conclusion

The final master plans for Grandma Foster and Grundahl Parks present park spaces that will provide the Mount Horeb community with safer and enjoyable park spaces. They will function with the events they currently hold and have the potential to expand their everyday use by residents and visitors alike. The implementation of these plans will take effort from the Village through fundraising, grant opportunities and the design and construction process. However, the benefits of having accessible and safe parks for the future will provide a draw for visitors, current and future residents.

Discussion on pickleball/tennis courts grand opening

BACKGROUND

RECOMMENDATION

ATTACHMENTS

1. pickleball grand opening

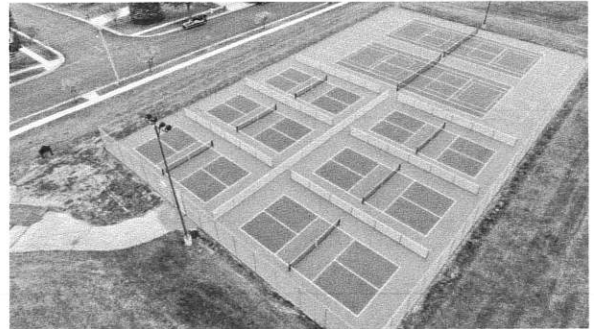

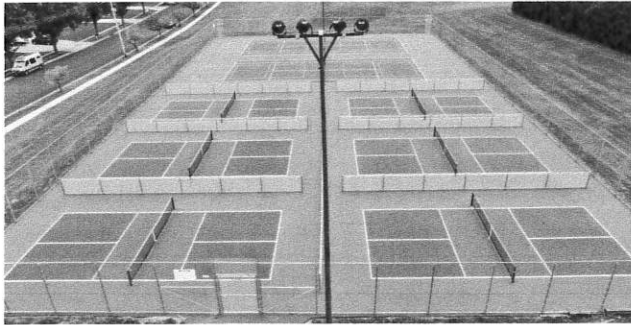

Dear Donor/Sponsor:

MOHOP is planning a special event to officially open our new Pickleball/tennis courts at Viking Park. The grand opening will be held on Saturday, May 4th, starting at 10:00am. We are pleased to report that the Pickleball and tennis courts are already receiving frequent use by many people in the community, of all ages. Students are already enjoying the benefits of the new facility in their gym classes.

We plan to host this ceremony to thank donors, the Village, and the Mount Horeb School District, and to provide an opportunity for people to get re-acquainted with Viking Park. We have already installed some of the additional amenities that we planned to provide for the facility, including a storage box, bench, and information board. We have also purchased wind screens that we hope to have installed prior to the open house. We will have a training device, known as a "lobster", that will be available for people to view and experience at the open house. We will be looking to purchase one of these training devices in the future. We will have members of our group available for some introductions to Pickleball, and for people to play on the courts that day following the ceremony.

We also hope to encourage more individuals to join our organization, and join in our group play opportunities, as we move forward with this beautiful new facility. We hope that you will have a chance to join us for this grand opening.

Please join us to celebrate the
Grand Opening

Viking Park Pickleball and Tennis Courts

903 East Lincoln Street

Saturday May 4 at 10:00 a.m.

Come for the ribbon cutting, stay to play!

Update on Lukken Farm

BACKGROUND

The Village is still working on negotiating the purchase of land from the Lukken farm for development and park use. We should know more before next month's meeting.

PARKS, RECREATION, AND FORESTRY COMMISSION

April 23, 2024

Recreation Director's Report

1. April Program Numbers:

<u>Program Name</u>	<u>2024 Participants</u>	<u>2023 Participants</u>
Fit For Life (spring)	20	N/A (did not run)
Coding for Middle Schoolers	5	N/A (new program)
Little Folk Art	9	N/A (did not run)
YEL! Robotics	9	N/A (new program)
Fun With Volleyball	60	61
YEL! Track and Field	16	36
Martial Arts (spring session #1)	26	26
Taekwondo (spring)	20	20
After School Art Class	21	13
Little Star Kickers (spring)	34	68 (ran two sessions)
Babysitting Class	16	12

- Upcoming May Programs: Introduction to Fly Fishing, Martial Arts (spring session #2), Machine Pitch Baseball, Coach Pitch.
- Registrations for our summer programs/events started on Monday, March 18th. On that day alone, we had a total of 1,770 registrations (1,173 were residents and 597 were non-residents). In 2023, we had 1,683 total registrations, so we were excited to see that number increase.
- We are now up to 76 family pool passes and 21 individual pool passes.
- We already have a full lifeguard staff for this summer, which rarely happens. We do only have two returning admissions/concessions staff, though, so Megan has been doing quite a few interviews this past month. We are hoping to have all staff hired by early May.
- We have had quite a few interviews for our summer office assistant and Recreation Assistant LTE positions. We have some really good candidates, which is nice to see. We hope to make our decisions by the end of April.
- I presented at the April 10th Good Morning, Mount Horeb event. I spoke about our summer programs/events, sponsorship opportunities, employment openings, and our new pickleball courts and batting cages.
- Megan will be attending the WPRA Region 3 meeting at Madison College on April 18th.
- We have received our discount tickets through the Wisconsin Park and Recreation Association and will begin selling them in May. Attractions include: Milwaukee County Zoo, Mt. Olympus, and Noah's Ark.

10. The Summer Frolic will assist us, once again, with funding for lifeguard certification reimbursements and returning lifeguard bonuses. This has been pivotal with obtaining and keeping lifeguards and we are very grateful for their partnership. We were also able to raise the pay rate for our pool staff, which has already proven essential, especially since we are seeing past lifeguards wanting to return to work at the pool.
11. We will begin taking pool rentals for the summer on May 1st. We offer pool rentals from June 15 through August 4 on Saturdays and Sundays from 10:30am-12:00pm or 7:15-8:45pm.
12. We currently have 50 paid shelter rentals for 2024.
13. Construction on our porch area is going well, but they have not started work on our staff restroom yet. Nic was going to see if he could find additional funding for this project, since it came in a bit over our budgeted amount.

Parks, Recreation and Forestry Commission

April 23, 2024

Public Services Director's Report

1. We have received the shipment of turf for the Grundahl batting cage. We have been struggling with the wet conditions but will hopefully start on the cable, turf and netting installation this week, weather permitting.
2. Our crew ground out 48 stumps the week of April 8 and finished digging tree planting holes the week of April 15. We will be planting 62 trees this spring. I have two extra trees that I am donating to the golf course. The horticulture class at the high school is planning to help plant them as an educational opportunity and that will also serve as our Arbor Day project this year.
3. In advance of the street construction projects, we have some low tree limbs to prune on Linda Rd. and a large tree to remove on Sunset Lane to make room for a stormwater structure.
4. We have filled our summer seasonal staff (mostly). Nic Sailing will be returning for his third summer but will have to leave in mid-July to attend summer school at UWSP. Henry Arrigoni is a junior at Mt. Horeb high school and will be starting when school gets out.
5. All park restrooms are now open as of April 17. We have also been doing a lot of work on the ball diamonds when the weather has allowed.
