**PARKS, RECREATION, AND FORESTRY COMMISSION AGENDA**

**Tuesday, November 25, 2025 at 5:30 PM**

Municipal Building Board Room

138 E. Main Street

Mount Horeb, WI

- 1) Call to order
- 2) Roll Call
- 3) Public Comments on Non-Agenda Items\*
- 4) Consent Agenda
  - a. Consideration of October 28, 2025 Meeting Minutes
- 5) Agenda Items
  - a. Discuss soccer field maintenance with Mt Horeb Soccer Club
  - b. Discuss and consider an increase in the Recreation Department late fee charge
  - c. Consider bike friendly community designation
  - d. Consider Bird City USA designation
  - e. Consider playground options for Grandma Foster Park
- 6) Department Reports
  - a. Recreation Director's Report
  - b. Public Services Director's Report
- 7) Future Agenda Items
- 8) Set Next Meeting Date and Time
- 9) Meeting Adjournment

**\*Public Comment Policy**

Members of the public are invited to speak at meetings of all Mount Horeb Public Bodies. To comment, please complete a Public Comment Form at the Meeting Room entrance and submit it to staff before the meeting begins. Comments are limited to **three minutes**, must be made from the podium, and the speaker must return to the audience after speaking.

- **Non-agenda item comments** are heard at the start of the meeting. Public Body members and staff will not engage in discussion during public comment but may consider topics for future agendas.
- **Agenda item comments** are heard during the relevant item, after the proposers or staff present the item and before Public Body discussion. All public comments on the item will be heard before any discussion by the Public Body.

Members of the public will only be allowed to speak outside these public comment times if they are invited by the meeting chair to share additional information requested by the Public Body. If so invited to speak, the member of the public must do so from the podium.

Written comments are also welcome. Written comments shall include the name and address of the submitter and should be submitted to the Deputy Treasurer/Governance Coordinator by email at [niki.erickson@mounthorebwi.info](mailto:niki.erickson@mounthorebwi.info) (subject line: *Public Comment Request-Name of Public Body*) or delivered by to the Village at: 138 E Main Street, Mount Horeb WI, 53572, ATTN *Public Comment Request-Name of Public Body*.

UPON REASONABLE NOTICE, EFFORTS WILL BE MADE TO ACCOMMODATE THE NEEDS OF DISABLED INDIVIDUALS THROUGH APPROPRIATE AIDS AND SERVICES. FOR INFORMATION OR TO REQUEST THIS SERVICE, CONTACT ALYSSA GAFFNEY, CLERK, AT 138 E MAIN STREET, MOUNT HOREB, WI (608) 437-9404.

## MINUTES

### PARKS, RECREATION AND FORESTRY COMMISSION

October 28, 2025, 5:30 PM, Municipal Building Board Room

**PRESENT:** Fendrick, Adler, Hogseth, White, Arrigoni

**ABSENT:** Webber, Honore

**OTHERS PRESENT:** Owen, Gorman, Dudley – Village of Mount Horeb

#### **Consider minutes of the September 23, 2025 meeting.**

Adler moved, Hogseth seconded to approve the September 23, 2025 meeting minutes. Motion carried.

#### **Recognition of the Summer Frolic Committee for their contribution to the Grundahl Park playground equipment**

Fendrick thanked the Summer Frolic Committee for their \$50,000 contribution to the new playground equipment at Grundahl Park. Fendrick stated that the contribution goes a long way to helping in a time when Village budgets are tight. Amy Mertz from the Frolic Committee was present and thanked the Village residents for supporting the Summer Frolic and making contributions like this possible. The playground equipment vendor, Gerber Leisure Products, was also a sponsor of the Summer Frolic in 2025. Fendrick also noted that the Summer Frolic Committee is also planning to contribute to the new Grundahl Park concession/storage building in 2026.

#### **Discuss and consider Gator Swim Team 2026 requests**

Gator Board President, Connie Nankee and Concession Chair Andrew Mulhern were present to request two items for the 2026 season. Nankee said the Gators are continuing to grow and need additional practice times. They are requesting evening practice times, Monday-Friday from approximately 7:00-9:00pm. Gorman said the Village often has to add chemicals to the pool at night, but said they can work around the 9:00 pm closing time. Gorman also said there are no other operating costs attributed to the Gators using the pool later in the evening.

Mulhern said they are still experiencing some electrical issues in the Boeck's Park pavilion despite the electrical upgrades that were completed last year. They are asking permission to use the concession area in the bathhouse in 2026. Gorman said moving the Gators concessions to the bathhouse may not solve their electrical issues since there are already four freezers and a small refrigerator plugged in and he is not sure how many separate circuits are in that room. Dudley has some concerns about them using the room but is willing to try it for the first swim meet in 2026.

Adler made a motion to allow the Gators to use the pool for 7:30-9:00pm practices, Monday-Friday and allow them to use the concession area of the bathhouse for the first swim meet of 2026, to be evaluated by Dudley following the first swim meet. White seconded. Motion carried.

#### **Discussion on naming rights for the former Lukken property park/park improvements**

Owen said the former Lukken property is now being called the Mount Horeb Recreation Complex. He said the Village is looking to have a donation/naming rights policy similar to the one that the school district has, just not as detailed. The policy would include all current and future parks and possibly programs run by the Recreation Department. Depending on the amount of the donation, the Village would consider naming a park or improvement within a park after an individual/business or would recognize the contribution with signs, plaques, etc. Owen will continue to work on a draft policy.

**Update on the 2026 budget**

Gorman informed the Commission that all 2026 capital requests that were recommended by the Commission have been approved by the Finance and Personnel Committee. Owen also said that they were able to get \$3000 off on the Civic Rec software for the Recreation Department for 2026. The budget will be reviewed at the November 5 Village Board meeting and the public hearing will be on November 19.

**Recreation Director's Report**

Dudley reviewed her written report

**Public Services Director's Report**

Gorman reviewed his written report.

**Future agenda items**

- Park naming rights
- Foster Park playground equipment
- Grundahl shelter project
- Bike Friendly Community designation
- Bird City USA designation

**Set next meeting date and time**

November 24, 2025 at 5:30 pm

**Adjourn**

White moved, Arrigoni seconded to adjourn at 6:13 pm. Motion carried.

Minutes prepared by Jeff Gorman, Public Services Director

## AGENDA ITEM REPORT

### MEETING DATE

November 25, 2025

### PREPARED BY

### AGENDA ITEM # 5.a

Discuss soccer field maintenance with Mt Horeb Soccer Club

### BACKGROUND

The soccer club would like to discuss deteriorating soccer field conditions and maintenance tasks to help improve them.

### RECOMMENDATION

### ATTACHMENTS

None

## AGENDA ITEM REPORT

### MEETING DATE

November 25, 2025

### PREPARED BY

Jill Dudley, Recreation Director

### AGENDA ITEM # 5.b

Discuss and consider an increase in the Recreation Department late fee charge

### BACKGROUND

Our late fee charge is currently \$5.00. This fee was established to encourage timely registration and help staff manage program rosters more efficiently. When participants register late, it often creates challenges such as adjusting instructor plans, updating rosters, ordering additional equipment/materials, and managing class capacities. The late fee helps offset the additional administrative time required for these last-minute changes and encourages families to sign up before the registration deadline. This allows programs to run more smoothly and ensures instructors have accurate participant numbers in advance.

### RECOMMENDATION

I recommend increasing our current late registration fee from \$5.00 to \$10.00. Over the past seasons, late registrations have continued to create administrative challenges, including last-minute roster adjustments, delays in instructor communication, and added staff time to manually update program details.

A \$10.00 late fee would better reflect the administrative workload caused by late enrollments and serve as a stronger incentive for participants to register by the registration deadlines. Many comparable recreation departments also use a \$10.00 late fee or higher, making this adjustment consistent with surrounding communities.

### AGENDA ITEM # 5.c

Consider bike friendly community designation

### BACKGROUND

### RECOMMENDATION

### ATTACHMENTS

1. Update on the Bicycle Friendly Community Application (1)

## **Update on the Bicycle Friendly Community Application**

The Mount Horeb Sustainability and Natural Resources Committee has been actively researching and compiling information for the Village's 2026 application to the League of American Bicyclists' *Bicycle Friendly Community* program.

To date, the committee has completed the following activities:

- Begun drafting the sample application, including substantial progress on the Engineering and Planning sections.
- Developed and launched a community survey to gather resident input.
- Submitted a "Sustainability Notes" article to the *Mount Horeb Mail* to promote the survey and raise public awareness.
- Engaged with the Mount Horeb Green Team to coordinate community outreach efforts.

Our preliminary review indicates several opportunities for improvement if the Village aims to earn a Bicycle Friendly Community designation:

- The 2020 Comprehensive Outdoor Recreation Plan includes a map of existing bicycle routes; however, it should be updated with community input. Identified routes would benefit from signage, expanded wayfinding, and increased communication through both online and printable maps.
- Development of a village-wide Bicycle and Pedestrian Plan, recommended in the 2022–2025 Comprehensive Plan, remains a critical need.
- Expanded bicycle education opportunities for both youth and adults would strengthen the Village's standing in the Education and Encouragement categories.
- Increased coordination between the Village, Mount Horeb Green Team, Sustainability and Natural Resources Committee, the Chamber of Commerce, and the Parks, Recreation, and Forestry Commission will be essential for completing the full application and ensuring alignment across departments and community partners.

To: Kelsey Bell, Bird City Wisconsin Program Director

From: Kerry Beheler, citizen member of the Mount Horeb Sustainability and Natural Resources Committee

RE: Mount Horeb WI Bird City customized action list for application

Date: 20 November 2025:

Requirements: Achieve a total of at least 9 points, meeting all of the following conditions:

a) A minimum of nine actions

b) At least four actions in Habitat, including at least one of the following taken by the municipality itself:

## **HABITAT**

- 1.1. Promote best management of community habitat
- 1.2. Create and protect habitat
- 1.3. Promote native plants
- 1.4. Control invasive plants
- 1.5. Provide nesting habitat
- 1.6. Support local species
- 1.7. Ensure clean water in natural waterways

1.1 Tree City USA: Mount Horeb received Tree City USA status in 1997. We reapply annually, and have achieved re-designation every year since 1997.

1.1 Municipal Forestry Actions include:

1. Expertise: Village Forester is a certified ISA arborist with 25 years of expertise, who holds a BS in Forestry and has taught a portion of the Wisconsin DNR's Wisconsin Community Tree Management Institute.
2. The Mount Horeb Parks, Recreation and Forestry Commission serves as the Village Tree Board.
3. Mount Horeb has a municipal tree ordinance, Chapter 8.10 of the municipal codes.
4. Mount Horeb has an annual Arbor Day observation.
5. Mount Horeb has a community forestry program.

1.2 and 1.3 Create and protect habitat, and promote native species in public or large-scale private landscaping: Mount Horeb enacted a natural landscaping native plant pollinator garden ordinance in September 2023, which allows homeowners to plant native forbs, grasses, edible plants, shrubs, or trees for bird and pollinator habitat.

<https://ecode360.com/27692202#27692210>

1.3 and 1.6 Promote Native Plants, Use Native Species in annual street tree and non-street tree budgets: Mount Horeb promotes and utilizes native tree, shrub, and forb species in public species in public landscaping, annual street tree and non-street tree budgets.

1.4 Control invasive plants: Mount Horeb natural landscaping native plant pollinator garden ordinance states "Plantings shall be deliberately selected and arranged as part of a coherent

overall plan. Overgrowth of conventional turf grasses or weeds, or any other unmanaged vegetation growth, shall not constitute a planned natural landscaping area.” Also, the natural landscaping ordinance states “No species identified on the Wisconsin Department of Natural Resources Regulated Invasive Plants list, Chapter NR 40, whether designated as Prohibited or Restricted, shall be permitted. <https://dnr.wisconsin.gov/topic/Invasives/RegulatedSpecies>”

#### 1.5 Provide Nesting Habitat:

1. Dane County’s oldest park, Stewart Lake County Park, is located on the northern edge of Mount Horeb. A bluebird nest box trail has been installed and maintained for 25 years at Stewart Park. The bluebird trail now comprises 31 nest boxes, in which 1020 bluebirds have fledged. Black-capped chickadees, tree swallows, and house wrens have also fledged from the nest boxes.

2. Multiple initiatives mentioned above in Mount Horeb for natural landscaping creates and maintains nesting habitat for native bird species.

#### 1.5 Moratorium on trimming and mowing:

1. Mount Horeb municipal maintenance crews mow the storm water detention basins once per year in the fall.

2. There are areas set aside in Village parks that are not mowed, or mowed only once per year in the fall, to provide nesting and foraging habitat for birds and pollinators.

3. Mount Horeb participates in “Slow Mow May”, sponsored by the Mound Vue Garden Club, allowing homeowners to not mow their properties to create foraging and nesting habitat.

#### 1.7. Ensure clean water in natural waterways

1. Mount Horeb’s state-of-the-art water pollution control Waste Water Treatment Plant facility was completed in 2021, and meets future development needs while improving water quality. It received funding from the Wisconsin Clean Water Fund Program and a grant from Focus on Energy due to implementation of energy saving features.

2. An Adaptive Management Program at the municipal Waste Water Treatment Plant includes supporting conversion of nearly 150 acres in the watershed from traditionally farmed row crops to continuous cover crops. 29 acres have been converted, and the remaining fields will be done in spring 2026. We await data from Dane County regarding conversion of these fields, which will help us gain a better understanding of how these projects will impact water quality.

3. Mount Horeb is in the Upper Sugar River watershed, and promotes clean water in natural waterways. <https://www.uppersugar.org/about>

4. Dane County’s oldest park, Stewart Lake County Park, is located on the northern edge of Mount Horeb. Mount Horeb promotes clean water in Stewart Lake, and has partnered with restoration efforts there.

#### 1.8 Another action taken by your municipality:

1. Mount Horeb has a Community Garden at one of our municipal parks. There are portions of the Community Garden designated as bird and pollinator habitat.

2. Yard in Every Yard (YEY) native plant project sponsored by the Mount Horeb Green Team began in August 2025. YYY promotes best management of community land by using Village

park lands for pollinator and bird gardens; creates and protects pollinator and bird nesting and feeding habitat by planting gardens; uses native plants and seeds; provides training for control of invasive plants in the plots; provides educational brochures for all ages; and involves the community in partnership and stewardship of the native plant plots.

## **Section 2 THREATS TO BIRDS**

- 2.1. Address disturbance by harmful species
- 2.2. Address collisions with glass
- 2.3. Address light pollution
- 2.4. Address direct human-related threats
- 2.5. Address the threat of pesticides and other toxins

2.1. Address disturbance by harmful species: Mount Horeb has municipal ordinances restricting cats at large, and cats which “Kills, or attempts to kill, any domestic animal or songbirds, but not including rodents such as mice, gophers or moles.”

2.3. Address light pollution: Mount Horeb has drafted a zoning ordinance for dark sky best practices. The dark sky ordinance will be reviewed and voted on within the next few months by the Village Board.

2.5. Mount Horeb uses herbicides as little as possible on Village properties Most use is limited to Village maintained athletic fields.

## **3. EDUCATION & ENGAGEMENT**

- 3.1. [Celebrate World Migratory Bird Day \(WMBD\)](#) - see [About: Bird City Network](#) for theme and links
- 3.2. Increase awareness of birds and their habitats
- 3.3. Educate and engage all ages
- 3.4. Ensure access to nature
- 3.5. Involve the community in conservation and stewardship
- 3.6. Promote scientific research and monitoring
- 3.7. Mobilize support / funding for community bird conservation

**3.1 World Migratory Bird Day Welcome Back Bird Day: part of the annual requirement for the Bird City designation (publicly celebrating bird migration). Mount Horeb will engage in this effort.** Date: Wednesday, May 21st (always the third Wednesday of May)

3.2, 3.3, and 3.4 Increase awareness of birds and their habitats; Educate and engage all ages; and Ensure access to nature:

1. Mount Horeb participates in the Christmas Bird Count: 36 years of continuous counting and data, open to all participants, training provided. We hold a post-count gathering for discussion and bird identification. We send a post-count summary to National Audubon and coordinate with Southern Wisconsin Bird Alliance.

2. Mount Horeb has a municipal Sustainability and Natural Resources Committee (SNR), in existence since December 2022.

3. The SNR writes a “Sustainability Notes” semi-regular column for the local newspaper, The Mount Horeb Mail. Columns have included educational information on birds and habitat threats, native plantings and pollinators, and achievable community actions.

4. The Stewart Lake County Park bluebird trail provides at least 3 scheduled community educational tours annually to school groups, Dane County Parks youth summer program, Dane County Parks Commission, and others. The bluebird trail is monitored weekly from April - August, providing many spontaneous educational opportunities for families and individual hikers during nesting season.

5. Stewart Lake County Park maintains an updated Bird Species list that is posted at main Park entrances. Bird sightings and information are regularly posted in various birding groups by local birders (eBird, WisBirdNet, SoBA, etc), including the rare Limpkin who was at Stewart Park September - October 2023.

6. Free public educational events are organized and offered by the SNR, coordinating with local groups including the Mount Horeb Climate Action, Green Team, Friends of Stewart Park, Mound View Garden Club, Mount Horeb High School Ecology and Energy Club, and others.

7. The 18 Mount Horeb free municipal public parks of various sizes provide bird nesting and foraging habitat. <https://www.mounthorebwi.info/191/Parks-Information>

3.5. Involve the community in conservation and stewardship: The Mount Horeb Green Team is a citizen-led group partnered with the Mount Horeb Rotary Club. The Green Team follows the core principles of Rotary's Environmental and Sustainability Rotary Action Group (ESRAG) by implementing projects and working with local government, the chamber of commerce, and service organizations as a catalyst for resilience and sustainability. <https://esrag.org/>

A few of the Green Team's initiatives include: Village-wide native species pollinator planting project (Yard in Every Yard); collecting data to facilitate bicycle friendly and bird city designations; home energy efficiency education; waste stream management through composting and village wide recycling programs; organizing outreach for Village-wide Travel Green designation.

### **3.7. An officially enacted resolution: Mount Horeb will draft and enact a resolution confirming Mount Horeb as a Bird City.**

## **SUSTAINABILITY**

- 4.1. Educate residents about climate impacts and renewable energy
- 4.2. Reduce energy use and carbon emissions
- 4.3. Promote sustainable infrastructure and practices

4.1. Educate residents about climate impacts and renewable energy:

1. Mount Horeb has a municipal Sustainability and Natural Resources Committee (SNR), in existence since December 2022. The SNR's official Mission Statement is “to collaborate with Village residents to create and expand sustainability practices which are inclusive, safe,

and resilient, and which improve the quality of life for current and future generations who call Mount Horeb home; to advocate and promote sustainable policies and practices and seek innovative solutions while recognizing the interdependence of environmental quality, economic resilience and growth, and social equity.”

2. The SNR serves in an advisory capacity, and acts in the long-term interests of environmental and economic sustainability for the Village. The SNR’s Charge is to advocate partnering with other communities and regional governments to leverage resources and funding for possible projects, and to reduce Mount Horeb’s carbon footprint to mitigate the effects of climate change.

3. The SNR writes a “Sustainability Notes” semi-regular column for the local newspaper, The Mount Horeb Mail. Columns have included educational information on birds and habitat threats, native plantings and pollinators, community and homeowner solar and energy efficient achievable actions, bike friendly community, and other relevant topics.

4. The SNR partners with local and state groups to provide free public events including Solar 101, community composting, local hands-on habitat work parties, and others.

4.2 Reduce energy use and carbon emissions: 1. The Mount Horeb Area School District was awarded funding for an electric school bus in June 2024.

2. The Mount Horeb High School Energy Team received a \$2500 award from Focus on Energy’s “Renew Our Schools Challenge” in March 2024.

3. A plastic bag recycling program sponsored by the local Lions Club collects bags, which are made into durable benches. These benches are then donated to the Village by the Lions Club and placed around town accompanied with educational information.

4. There are 4 Electric Vehicle charging stations at the east side Mount Horeb KwikTrip.

4.3. Promote sustainable infrastructure and practices: 1. Mount Horeb achieved bronze certification from SolSmart in June 2024. <https://solsmart.org/>

2. The Mount Horeb business community supports sustainability and climate actions. Local organizations and businesses have been recognized as “Climate Champions” by the Dane County Office of Energy and Climate Change in (3 in 2023 and 4 in 2024).

3. Mount Horeb received an Innovation Energy Grant of \$75,000 in October 2024 from the Wisconsin Public Service Commission to develop a comprehensive municipal energy plan. The report will be finalized in 2025.

The play components identified on this plan are IREMA certified. (Unless model number is preceded with \*) The use and layout of these components conform to the requirements of ASTM F1487. To verify product certification, visit www.irema.org

THIS PLAY AREA & PLAY EQUIPMENT IS DESIGNED FOR AGES 2-12 YEARS UNLESS OTHERWISE NOTED ON PLAN.

IT IS THE MANUFACTURER'S OPINION THAT THIS PLAY AREA DOES CONFORM TO THE A.D.A. ACCESSIBILITY STANDARDS, ASSUMING AN ACCESSIBLE PROTECTIVE SURFACING IS PROVIDED, AS INDICATED, OR WITHIN THE ENTIRE USE ZONE.

THIS CONCEPTUAL PLAN WAS BASED ON INFORMATION AVAILABLE TO US. PRIOR TO CONSTRUCTION, DETAILED SITE INFORMATION INCLUDING SITE DIMENSIONS, TOPOGRAPHY, EXISTING UTILITIES, SOIL CONDITIONS, AND DRAINAGE SOLUTIONS SHOULD BE OBTAINED, EVALUATED, & UTILIZED IN THE FINAL DESIGN. PLEASE VERIFY ALL DIMENSIONS OF PLAY AREA, SIZE, ORIENTATION, AND LOCATION OF ALL EXISTING UTILITIES, EQUIPMENT, AND SITE FURNISHINGS PRIOR TO ORDERING. SLIDES SHOULD NOT FACE THE HOT AFTERNOON SUN.

CHOOSE A PROTECTIVE SURFACING MATERIAL THAT HAS A CRITICAL HEIGHT VALUE TO MEET THE MAXIMUM FALL HEIGHT FOR THE EQUIPMENT (REF. ASTM F1487 STANDARD CONSUMER SAFETY PERFORMANCE SPECIFICATION FOR PLAYGROUND EQUIPMENT FOR PUBLIC USE, SECTION 8 CURRENT REVISION). THE SUBSURFACE MUST BE WELL DRAINED. IF THE SOIL DOES NOT DRAIN NATURALLY IT MUST BE TILED OR SLOPED 1/8" TO 1/4" PER FOOT TO A STORM SEWER OR A "FRENCH DRAIN".

ACCESSIBLE/PROTECTIVE LOOSE FILL MATERIAL (ENGINEERED WOOD FIBER SUGGESTED) 1,915 SQ. FT.

IT IS THE MANUFACTURER'S OPINION AND INTENT THAT THE LAYOUT OF THESE COMPONENTS CONFORM WITH THE U.S. CONSUMER PRODUCT SAFETY COMMISSION'S (CPSC) "HANDBOOK FOR PUBLIC PLAYGROUND SAFETY".

## PARKS, RECREATION, AND FORESTRY COMMISSION

November 25, 2025

### Recreation Director's Report

1. November Program Numbers:

<u>Program Name</u>	<u>2025 Participants</u>	<u>2024 Participants</u>
3 <sup>rd</sup> Grade Rec Basketball	16	10
Home Recording 101 (Sess. 3)	0 (cancelled – low enrollment)	N/A
Indoor Pickleball	34	38
Kids Yoga (Sess. 3)	0 (cancelled – low enrollment)	0
Learn to Play Hockey	7	12

- Upcoming December Programs: YEL Basketball Camp (Sessions 3 & 4), Big Ten Basketball (4<sup>th</sup>-6<sup>th</sup> Grade), Fit For Life (Winter), and Painting Class (Snowman).
- Our Creepy Crawl haunted hike was a great success this year. We welcomed over 1,000 attendees who enjoyed the haunted hike, petting zoo, cider and candy, games, and hay wagon rides. We also hosted four food and beverage trunks, all of which had a positive experience and expressed interest in returning next year. We received numerous compliments and were thrilled with both the turnout and overall success of the event.
- Our 2025-2026 Winter/Spring Activity Guide has been released, and registration is underway. On the first day, we saw nearly 175 registrations come through. We have a couple of new programs in this guide—Doll and Toy Restoration and Slow Flow Yoga. We're gearing up for another busy winter and spring.
- Grace Larson has joined us as our new Recreation Program Coordinator, starting on November 17. Grace attended UW–Parkside, where she majored in Sports Management. She brings great experience to our team, having previously worked for the City of Waukesha Parks and Recreation Department. Grace is excited to dive into her new role here in Mount Horeb. If you get a chance, please stop by to meet her and welcome her to the community.
- I am currently working through the CivicRec training, which is proving a bit challenging, as I am also trying to train Grace in the office. That said, I am making steady progress and hope to remain on track with our timeline.
- Our next Wisconsin Park and Recreation Association region meeting will be on December 11 in Verona. As part of the meeting, we will tour the Verona Aquatic Center as well as their outdoor ice-skating rink.
